Item 1.01. Entry into a Material Definitive Agreement.

On May 23, 2022, DigitalBridge Group, Inc., a Maryland corporation (“DigitalBridge” or the “Company”), DigitalBridge Operating Company, LLC, a Delaware limited liability company and DigitalBridge’s operating company (“DBOC”) and DigitalBridge Digital IM Holdco, LLC, a Delaware limited liability company and wholly owned subsidiary of DBOC (“Purchaser”) closed (the “Closing”) the previously announced transaction (disclosed in the Current Report on Form 8-K filed by DigitalBridge on April 18, 2022 (the “[April 8-K](#)”), contemplated by the Agreement of Purchase and Sale dated April 14, 2022 (the “Purchase Agreement”) with affiliates of Wafra, Inc., a Delaware corporation (collectively, “Wafra”). DigitalBridge, DBOC, and certain of DBOC’s subsidiaries previously entered into a series of agreements with Wafra on July 17, 2020, pursuant to which, among other things, Wafra made an investment in DigitalBridge Management Holdings, LLC, a Delaware limited liability company and subsidiary of DigitalBridge (“DBMH”), which operates the Company’s digital investment management business, as more fully described in the Current Report on Form 8-K filed by DigitalBridge on July 23, 2020 (the “Strategic Minority Investment” and such Current Report on Form 8-K the “[2020 8-K](#)”). At the Closing (i) Purchaser paid or caused to be paid consideration to Wafra in the amount of \$390,000,000 in cash, less certain adjustments for a net cash payment of \$388,517,055, and 57,741,599 shares of the Company’s Class A common stock, par value \$0.01 (“Common Stock”); (ii) Purchaser acquired Wafra’s 31.5% membership interest in DBMH; (iii) with certain limited exceptions, Wafra sold or forwent its right to invest in, or receive carried interest from, future investment management products; and (iv) Wafra’s carried interest in DigitalBridge Partners II, L.P. was reduced from 12.6% to 7% (collectively, the “Transactions”). Wafra retained its investment in and, except as provided above, its allocation of carried interest from, existing investment management products.

The Purchase Agreement also provides for an earnout based on FEEUM (as defined in the Purchase Agreement) raised during the period from December 31, 2021 to December 31, 2023, as described in additional detail in the April 8-K.

At the Closing, the Company, Wafra and/or certain of their affiliates, as applicable, entered into (i) an amended and restated carried interest participation agreement (the “Amended and Restated Carried Interest Participation Agreement”), (ii) a termination agreement (the “Termination Agreement”), (iii) a registration rights agreement (the “Registration Rights Agreement”) and (iv) amended and restated warrants (the “Amended and Restated Warrants”), each in the form attached to the Purchase Agreement.

The Amended and Restated Carried Interest Participation Agreement amends certain carried interest rights, information rights, and covenants granted to Wafra in connection with the Strategic Minority Investment.

Pursuant to the Termination Agreement, the following documents, each dated July 17, 2020 and as defined in the Termination Agreement, were terminated as of the Closing except to the extent otherwise provided in the Termination Agreement: (i) the Investor Rights Agreement; (ii) the Investment Agreement; (iii) the Carry Investment Agreement; (iv) the Ganzi Acknowledgement Letter; (v) the Jenkins Acknowledgement Letter; and (vi) the Specified / Warehouse Investment Side Letter (collectively, the “Terminated Agreements”).

The Registration Rights Agreement provides Wafra six demand registration rights and certain piggyback registration rights, as described in further detail in the Registration Rights Agreement. The Registration Rights Agreement also requires the Company to file a shelf registration statement registering Wafra’s Registrable Securities (as defined in the Registration Rights Agreement) within six months of Closing.

As previously disclosed, in connection with the Strategic Minority Investment on July 17, 2020, the Company issued to Wafra five warrants (each, a “Warrant,” and collectively, the “Warrants”) to purchase

up to an aggregate of 26,760,000 shares of Common Stock, with staggered strike prices for each Warrant (\$2.43, \$3, \$4, \$5 and \$6 per share, respectively) that are exercisable until July 17, 2026. Pursuant to the Purchase Agreement, upon Closing, the Warrants were amended and restated to increase the Beneficial Ownership Limitation (as defined in the Warrants) to 9.8% and provide for a net cash settlement (at the Company's or Wafra's election) upon the exercise of the Amended and Restated Warrants if such exercise would result in Wafra beneficially owning in excess of 9.8% of the issued and outstanding shares of Common Stock.

In addition, upon Closing, DigitalBridge named Adel Alderbas, Chief Investment Officer of Wafra, as a senior advisor to DigitalBridge. The term for such appointment is three years from Closing.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which was filed as [Exhibit 2.1](#) to the April 8-K and is incorporated herein by reference.

The foregoing descriptions of the Amended and Restated Carried Interest Participation Agreement, Termination Agreement, Registration Rights Agreement and the Warrants do not purport to be complete and are qualified in their entirety by reference to the Amended and Restated Carried Interest Participation Agreement, Termination Agreement, Registration Rights Agreement and the Warrants, copies of which are filed (or, in the case of the Warrants, a form of which is filed) as Exhibits 10.1, 10.2, 10.3, and 4.1, respectively to this Current Report on Form 8-K and are incorporated by reference herein.

Item 1.02. Termination of a Material Definitive Agreement.

The disclosure contained in Item 1.01 of this Current Report on Form 8-K with respect to the Termination Agreement is incorporated by reference into this Item 1.02. The descriptions of the Terminated Agreements contained in the 2020 8-K are incorporated by reference into this Item 1.02.

Item 2.01 Completion of Acquisition or Disposition of Assets.

The disclosure contained in Item 1.01 of this Current Report on Form 8-K with respect to the Transactions is incorporated by reference into this Item 2.01.

Item 3.02. Unregistered Sales of Equity Securities.

The disclosure contained in Item 1.01 of this Current Report on Form 8-K with respect to the Common Stock is incorporated by reference into this Item 3.02. The 57,741,599 shares of Common Stock described in Item 1.01 of this Current Report on Form 8-K were offered, issued and sold to Wafra at the Closing in a private placement pursuant to the exemption from registration provided by Section 4(a)(2) of the Securities Act.

DIGITALBRIDGE GROUP, INC.
FORM OF
AMENDED AND RESTATED CLASS A COMMON STOCK PURCHASE WARRANT

DIGITALBRIDGE GROUP, INC., a Maryland corporation (the "Company"), for value received, hereby certifies that WAFRA STRATEGIC HOLDINGS LP, a Bermuda limited partnership, or its registered permitted assigns (the "Registered Holder"), is entitled, subject to the terms and conditions set forth below, to purchase from the Company up to [●] duly authorized, validly issued, fully paid and nonassessable shares of Class A Common Stock, \$0.01 par value per share, of the Company ("Common Stock"), at a purchase price per share of Common Stock equal to [●] subject to adjustment as set forth herein (the "Exercise Price"), at any time or from time to time (the "Initial Exercise Date") and on or before the Applicable Expiration Time (such period between the Initial Exercise Date and the Applicable Expiration Time, the "Exercise Period"). The shares of Common Stock purchasable upon exercise of this Warrant, and the purchase price per share, each as adjusted from time to time pursuant to the provisions of this Warrant, are hereinafter referred to as the "Warrant Shares" and the "Purchase Price," respectively. The Warrant and Warrant Shares are referred to herein as the "Securities".

A warrant (the "Original Warrant"), with the warrant number [●], was originally issued to the Registered Holder by the Company (under the name Colony Capital, Inc.) on July 17, 2020. The Company and the Registered Holder agree that this Warrant shall amend, restate, supersede and cancel the Original Warrant in all respects.

1. Exercise.

(a) Exercise Procedure. Subject to Section 2 below, the Registered Holder may, at its option, elect to exercise all or any portion of this Warrant at any time during the Exercise Period by surrendering this Warrant at the principal office of the Company, or at such other office or agency as the Company may designate, together with an Exercise Notice in the form attached hereto as Exhibit I (the "Exercise Notice") duly executed by or on behalf of the

Registered Holder, accompanied by payment in full, in lawful money of the United States, of the Purchase Price payable in respect of the number of Warrant Shares purchased upon such exercise (a “Cash Exercise”). Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. In lieu of a Cash Exercise of this Warrant, the Registered Holder may elect (and if upon any exercise hereof, other than a Net Cash Settlement (as defined below), a registration statement covering the issuance of the Warrant Shares is not effective and an exemption from the registration requirements of the Securities Act, is not available, then the Registered Holder shall be deemed to have elected) to receive upon exercise of this Warrant such number of Warrant Shares determined according to the following formula (a “Cashless Exercise”):

$$X = \frac{Y(A-B)}{A}$$

Where:

“X” refers to the number of Warrant Shares to be issued to the holder of this Warrant.

“Y” refers to the number of Warrant Shares the Registered Holder has elected to purchase under this Warrant.

“A” refers to the Fair Market Value (as determined in subsection 2(c) below) of one Warrant Share.

“B” refers to the Exercise Price (as adjusted hereunder to the date of such calculations).

At the time the Registered Holder submits the Exercise Notice, the Registered Holder will confirm to the Company the number of shares of Common Stock beneficially owned (within the meaning of Section 13(d)(3) of the Exchange Act and the rules and regulations promulgated thereunder) by the Registered Holder and its Affiliates, and in lieu of the Cash Exercise or Cashless Exercise described in the Exercise Notice, and only to the extent that such Cash Exercise or Cashless Exercise of this Warrant would result in the Registered Holder and its Affiliates beneficially owning in excess of 9.8% of the issued and outstanding shares of Common Stock within the meaning of Section 13(d) of the Exchange Act, the Company may elect to settle, in whole or in part, the exercise of this Warrant through payment of cash on or prior to the Warrant Share Delivery Date by the Company to the Registered Holder, net of the Exercise Price, (“Net Cash Settlement”) and the portion of this Warrant being so exercised shall be canceled, and the Company shall deliver to the Registered Holder an amount of cash computed using the following formula:

$$X = Y * (A - B)$$

Where:

“X” refers to the Net Cash Settlement amount to be paid to the holder of this Warrant.

“Y” refers to the number of Warrant Shares with respect to which the Net Cash Settlement is applicable.

“A” refers to the Fair Market Value (as determined in subsection 2(c) below) of one Warrant Share.

“B” refers to the Exercise Price (as adjusted hereunder to the date of such calculations).

* = multiplied by.

In addition, in connection with any submission of any Exercise Notice, to the extent that a Cash Exercise or Cashless Exercise of this Warrant would result in the Registered Holder and its Affiliates beneficially owning in excess of 9.8% of the issued and outstanding shares of Common Stock within the meaning of Section 13(d) of the Exchange Act, taking into account only such shares of Common Stock acquired by such parties (i) pursuant to the transactions contemplated by the Purchase Agreement (including Section 2.6 thereof) and (ii) through the exercise of this Warrant and any other Amended and Restated Warrant (as defined in the Purchase Agreement) (the “Election Threshold”), the Registered Holder shall be permitted to elect to require the Company to settle, in whole or in part, through Net Cash Settlement such portion of this Warrant that would result in the ownership of shares of Common Stock (if settled through Cash Exercise) in excess of the Election Threshold. If the Registered Holder makes a Net Cash Settlement election, at any time prior to the earlier of the settlement thereof and the Warrant Share Delivery Date, if the board of the directors of the Company determines in good faith that the Company does not have sufficient liquidity to effect all or any portion of such Net Cash Settlement (a “Board Liquidity Determination”), the Company shall be permitted to send written notice to the Registered Holder electing not to perform the Net Cash Settlement solely with respect to the portion of this Warrant with respect to which the Board Liquidity Determination was made (a “Net Cash Settlement Cancellation Notice”). Upon receipt of any Net Cash Settlement Cancellation Notice, the Registered Holder shall be permitted to elect, by written notice to the Company, to either (i) cancel the exercise of such portion of this Warrant to which such Net Cash Settlement Cancellation Notice relates (in which case the rights of the Registered Holder under this Warrant shall be as if the Exercise Notice with respect to such applicable portion of this Warrant had not been submitted) or (ii) elect to cause the exercise of such portion of this Warrant to which such Net Cash Settlement Cancellation Notice relates to be settled via Cash Exercise or Cashless Exercise (in which case (A) such notice shall serve as a new Exercise Notice (delivered as of the date of such written notice from the Registered Holder) and (B) the board of directors will be deemed to have waived any ownership limitations (or similar provisions) set forth in the organizational documents of the Company in respect of the then current ownership of the shares of Common Stock by the Registered Holder and its Affiliates acquired pursuant to (x) the Purchase Agreement (including Section 2.6 thereof) or (y) this Warrant or any other Amended and Restated Warrant).

(b) Exercise Date. Each exercise of this Warrant shall be deemed to have been effected immediately prior to the close of business on the Business Day on which this Warrant, the completed and executed Exercise Notice, and the Purchase Price (either in cash with respect to a Cash Exercise or in the relinquishment of the right to acquire the appropriate number of shares of Common Stock with respect to a Cashless Exercise or Net Cash Settlement) shall have been surrendered to the Company as provided in subsection 1(a) above (the “Exercise Date”). At such time, the Person to whom any Warrant Shares shall be issuable upon such exercise as provided in subsection 1(c) below shall be deemed to have become the holder or holders of record of such Warrant Shares, except that, if the date of such surrender and payment is a date when the share transfer books of the Company are closed, such Person shall be deemed to have become the holder of such shares at the close of business on the next succeeding date on which the share transfer books are open.

(c) Issuance of Warrant Shares; Delivery of New Warrants. By the date that is five (5) trading days after the latest of (A) the delivery to the Company of the Exercise Notice,

and (B) payment of the aggregate Purchase Price in respect thereof (including by Cashless Exercise (such date, the “Warrant Share Delivery Date”)), the Company shall deliver to the Registered Holder in book entry form, the Warrant Shares to which the Registered Holder is entitled, registered in such name or names as may be directed by the Registered Holder, and, if this Warrant has not been fully exercised and has not expired, the Company shall deliver to the Registered Holder a new warrant representing the Warrant Shares not so acquired, which new warrant shall in all other respects be identical to this Warrant.

(d) Rescission Rights. If the Company fails to cause the Warrant Shares to which the Registered Holder is entitled pursuant to Section 1(c) to be transferred to the Registered Holder by the Warrant Share Delivery Date, then the Registered Holder shall have the right to rescind such exercise; provided, that in the event of any such rescinded exercise, the Registered Holder shall execute such documents and take such other actions as are necessary to promptly return to the Company any Warrant Shares that have been issued to the Registered Holder in connection with the rescinded exercise.

(e) Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Registered Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Registered Holder or in such name or names as may be directed by the Registered Holder.

(f) Closing of Books. The Company shall not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

(g) Exercise Limitations. The Company shall not effect any exercise of this Warrant or any of the other warrants issued by the Company to the Registered Holder and its Affiliates as of the date hereof (the “Other Warrants”), and a Registered Holder or any of its Affiliates shall not have the right to exercise any portion of this Warrant or any Other Warrant pursuant to Section 1 hereof or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Exercise Notice, the Registered Holder (together with the Registered Holder’s Affiliates, and any other Persons acting as a group together with the Registered Holder or any of the Registered Holder’s Affiliates), would beneficially own in excess of the Beneficial Ownership Limitation. For purposes of this Section 1(g), beneficial ownership shall be calculated in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and the rules and regulations promulgated thereunder, it being acknowledged and agreed by the Registered Holder that the Company makes no representation to the Registered Holder that such calculation is in compliance with Section 13(d) of the Exchange Act, and that the Registered Holder shall be solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 1(g) applies, the determination of whether this Warrant or any Other Warrant is exercisable and of which portion of this Warrant or any Other Warrant is exercisable shall be the sole responsibility and in the sole discretion of the Registered Holder, and the submission of an Exercise Notice shall be deemed to be the Registered Holder’s determination of whether this Warrant or any Other Warrant is exercisable and of which portion of this Warrant or any Other Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 1(g), in determining the number of outstanding shares of Common Stock, the Registered Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company’s most recent periodic or annual report filed with the United States Securities and Exchange Commission, as the case may be, (B) a more

recent public announcement by the Company or (C) a more recent written notice by the Company setting forth the number of shares of Common Stock outstanding. Upon the written request of a Registered Holder, the Company shall within three (3) trading days confirm in writing (which may be by email) to the Registered Holder the number of shares of Common Stock then outstanding. The Registered Holder, upon written notice to the Company, may (a) increase or decrease the Beneficial Ownership Limitation provisions of this Section 1(g) or (b) terminate the effect of this paragraph and render its provisions null and void. Any such increase or termination shall not be effective until the 61st day after such notice is delivered to the Company. Any such decrease shall be effective upon delivery of such notice to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 1(g), to correct this paragraph (or any portion hereof) to the extent it may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Warrant.

(h) Notice for Certain Actions. During the Exercise Period and prior to the Registered Holder's exercise of this Warrant, the Company shall, prior to (i) declaring or making any dividend or other distribution of its assets (or rights to acquire its assets) to holders of shares of Common Stock, by way of return of capital or otherwise (including any distribution of cash, stock or other securities, property or options by way of a dividend, spin off, reclassification, corporate rearrangement, scheme of arrangement or other similar transaction) that is inconsistent with past practice or otherwise outside of the ordinary course (an "Extraordinary Distribution"), or (ii) granting, issuing or selling or offering to grant, issue, or sell any Common Stock or Common Stock Equivalents or rights to purchase stock, warrants, securities or other property pro rata to all or substantially all of the holders of Common Stock ("Rights Offering"), in each case, provide the Registered Holder with written notice of such Extraordinary Distribution or Rights Offering at least ten (10) days prior to the record date for such Extraordinary Distribution or Rights Offering, which notice shall include the material terms of such Extraordinary Distribution or Rights Offering.

2. Adjustments.

(a) Adjustment for Stock Splits and Combinations. If the Company shall at any time or from time to time after the date on which this Warrant was first issued (or, if this Warrant was issued upon partial exercise of, or in replacement of, another warrant of like tenor, then the date on which such original warrant was first issued) (the "Original Issue Date") effect a subdivision of the outstanding shares of Common Stock or a distribution or dividend in respect of the Common Stock payable in shares of Common Stock or Common Stock Equivalents, the Purchase Price then in effect immediately before that subdivision or dividend, as applicable, shall be proportionately decreased and the number of Warrant Shares shall be proportionately increased. If the Company shall at any time or from time to time after the Original Issue Date combine the outstanding shares of Common Stock, the Purchase Price then in effect immediately before the combination shall be proportionately increased and the number of Warrant Shares shall be proportionately decreased. Any adjustment under this paragraph shall become effective at the close of business on the date the subdivision or combination becomes effective.

(b) Adjustment for Reorganizations, Mergers, etc. In case at any time or from time to time during the Exercise Period and prior to the Registered Holder's exercise of this Warrant the Company, in one or more related transactions, (A) effects a reclassification or recapitalization of its Common Stock, (B) directly or indirectly effects a merger or consolidation with or into any other Person, or (C) transfers all or substantially all of its properties or assets to any other Person under any plan or arrangement contemplating the dissolution of the Company (each of (A) through (C), a "Fundamental Transaction"), then, in each case, effective upon the

occurrence of any such event, the Registered Holder's right to receive Warrant Shares upon subsequent exercise of this Warrant shall be converted into the right to receive the other securities, cash, and/or property that the Warrant Shares issuable (calculated as of the effective time of such event) upon exercise of this Warrant immediately prior to such event would have been entitled to receive upon consummation of such event (the "Alternate Consideration"). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one Warrant Share in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a manner reflecting the relative value of any different components of the Alternate Consideration. If holders of shares of Common Stock are given any choice as to the amount or kind of securities, cash or property to be received in a Fundamental Transaction, then the Registered Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant in connection with such Fundamental Transaction. To the extent necessary to effectuate the foregoing provisions, the Company, any successor to the Company or any surviving entity in such Fundamental Transaction, as the case may be, shall make lawful provision to establish such rights, to issue such Warrants, to execute such agreements, and to provide for such adjustments that, for events from and after such Fundamental Transaction, shall be as nearly equivalent as possible to the rights and adjustments provided for herein. The terms of any agreement pursuant to which a Fundamental Transaction is effected shall include terms requiring any such successor or surviving entity to comply with the provisions of this Section 2(b).

(c) Fair Market Value. The "Fair Market Value" per share of Common Stock shall, as of any date, be equal to the VWAP per share of the Common Stock on the trading day immediately preceding such date. All such determinations shall be appropriately adjusted for any stock dividend, stock split, stock combination, recapitalization or other similar transaction during the applicable period.

(d) Calculations. All calculations under this Section 2 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 2, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

(e) Statement Regarding Adjustments. Whenever the Purchase Price or the Warrant Shares into which this Warrant is exercisable shall be adjusted as provided in this Section 2, the Company shall prepare a statement showing in reasonable detail the facts requiring such adjustment and the Purchase Price that shall be in effect and the Warrant Shares into which this Warrant shall be exercisable after such adjustment, and cause a copy of such statement to be delivered to the Registered Holder as promptly as reasonably practicable.

3. No Fractional Shares. The Company shall not be required upon the exercise of this Warrant to issue any fractional shares of Common Stock. In lieu of any fractional share to which the Registered Holder would otherwise be entitled, the fractional Warrant Shares shall be rounded up to the next whole Warrant Share and the Registered Holder shall be entitled to receive such rounded up number of Warrant Shares.

4. Transfers, Etc.

(a) Transferability. Subject to applicable securities laws, this Warrant and all rights associated herewith (including registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto as Exhibit II duly executed by the Registered Holder or its agent or attorney and funds sufficient to

pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding the foregoing, this Warrant, if properly assigned in accordance herewith (i.e., pursuant to a written assignment of this Warrant substantially in the form attached hereto as Exhibit II duly executed by the Registered Holder or its agent or attorney and upon payment of any applicable transfer taxes), may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

(b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Registered Holder or its agent or attorney. The Company shall take all such commercially reasonable action as may be necessary to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. Except and to the extent as waived or consented to by the Registered Holder in writing, the Company shall not, by amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant to be observed or performed by the Company, but shall at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to effect such terms. Without limiting the generality of the foregoing, the Company shall (i) not increase the par value of any Warrant Shares above the Exercise Price in effect immediately prior to such increase in par value, (ii) take all such action as may be necessary in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant, and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations under this Warrant.

8. Replacement of Warrants. Upon receipt of evidence reasonably satisfactory to the Company of the loss, theft, destruction or mutilation of this Warrant and (in the case of loss, theft or destruction) upon delivery of an indemnity agreement reasonably satisfactory to the Company (with surety if reasonably required in an amount reasonably

satisfactory to the Company), or (in the case of mutilation) upon surrender and cancellation of this Warrant, the Company shall issue, in lieu thereof, a new warrant of like tenor.

they shall be deemed to be followed by the words “without limitation.” Words in the singular form will be construed to include the plural, and vice versa, unless the context requires otherwise. Pronouns of one gender shall include all genders. The words “hereof,” “herein,” “hereby” and terms of similar import shall refer to this entire Warrant. Unless the defined term “Business Days” is used, references to “days” in this Warrant refer to calendar days. If any period expires on a day which is not a Business Day or any event or condition is required by the terms of this Warrant to occur or be fulfilled on a day which is not a Business Day, such period shall expire or such event or condition shall occur or be fulfilled, as the case may be, on the next succeeding Business Day. If any event or condition is required by the terms of this Warrant to occur or be fulfilled upon a set number of Business Days, and during such period banks in New York, NY are closed for business due to government order, the number of business days shall not toll during the period in which banks are closed, but will immediately begin to toll once the government restrictions has been lifted. Any action required to be taken “within” a specified time period following the occurrence of an event shall be required to be taken by no later than 5:00 p.m. Eastern time on the last day of such time period, which shall be calculated starting with the day immediately following the date of the event. 17. Counterparts/Facsimile. This Warrant may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together constitute one and the same instrument.

18. Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Registered Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Registered Holder, shall give rise to any liability of the Registered Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

19. Remedies. Accordingly, the Company and the Registered Holder each agree that, in addition to any other remedies, the Company and the Registered Holder, as the case may be, shall be entitled to seek to enforce the terms of this Warrant by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy. Each of the Company and the Registered Holder hereby waives any requirement for the securing or posting of any bond in connection with such remedy. Each of the Company and the Registered Holder further agrees that neither the Company nor the Registered Holder shall oppose the granting of an injunction or specific performance as provided herein on the basis that the other party hereto has an adequate remedy

Section 6. Rights and Operating Covenants; Representations and Warranties.

(a) Covenants. The Company and DBOC hereby covenant and agree that neither the Company nor DBOC shall undertake any of the following actions with respect to the Digital Colony Companies:

(ii) entering into any Related Party Transactions that (a) are not in the ordinary course of business and on arms' length terms, (b) are above \$100,000 individually and \$500,000 in the aggregate, annually or (c) involve use of Digital Colony Personnel or assets of the Digital Colony Companies for personal purposes (in each case, other than those transactions with any Digital Colony Personnel that are investment professionals that are compensatory in nature and specifically contemplated by such professional's employment agreement or other similar agreement for services with the Digital Colony Companies or the DigitalBridge Group as of the Effective Date (for the avoidance of doubt, any such transactions or agreements involving luxury expenses or private air travel at levels above those reflected in the historical financial statements or outside current policies of the Digital Colony Companies will require the Wafra Representative's consent));

(iii) making, changing or revoking any material tax election or allocation or taking any tax action that could reasonably be expected to have a material and adverse effect on the Wafra Participation Entity, including, for this purpose, where the Wafra Participation Entity is a pass-through entity for tax purposes, any direct or indirect owners of the Wafra Participation Entity that are special purpose vehicles and treated as corporations for U.S. federal income tax purposes;

(iv) amending the Company's Organizational Documents in a manner that adversely affects the rights, privileges or preferences (including economic interests or contractual rights) of the Wafra Participation Entity in a manner disproportionate to the effect such amendment has on the other holders of rights to Carried Interest in the Company; provided, that any amendment to a substantive provision or agreement that is specific to the Wafra Participation Entity (or that was otherwise specifically negotiated by the Wafra Participation Entity) in its capacity as such shall require the prior written consent of the Wafra Representative;

(v) liquidating or dissolving the Company or its Controlled Affiliates; provided, that the foregoing shall not prohibit any such actions pursuant to any restructuring, reorganization or other similar transaction that does not cause an adverse effect on the Wafra Participation Entity or any of its economic or other contractual rights;

(vi) requesting or taking any action for voluntary bankruptcy relief or any action pursuant to Bankruptcy Laws of any applicable jurisdiction or commencing a voluntary bankruptcy case;

(vii) entering into mergers, consolidations or business combinations of the Company or any other vehicle in which the Wafra Participation Entity, directly or indirectly, owns an equity interest or similar contractual right, in which the Wafra Participation Entity is not offered, directly or indirectly, the same per interest consideration pro rata with the other owners of Ownership Interests taking into account all of the economics and financial opportunities offered to the other owners (excluding industry standard compensation for future services rendered by the other equity holders that are bona fide market compensatory payments); provided, however, that to the extent that any merger, consolidation or business combination is not a transaction in which Wafra receives cash for all of its Ownership Interests, the Wafra Participation Entity's economic and other contractual rights in respect of the Company, shall not be affected by, and shall continue pro forma in, such merger, consolidation or business combination;

(viii) the Company or any of its Subsidiaries entering into joint venture or partnership agreements unless such joint venture or partnership agreement (1) (x) is with a third party for a bona fide business purpose and involves the provision of digital investment and asset management services and (y) does not dilute the Wafra Participation Entity's pro rata Ownership Interests or adversely or disproportionately affect the rights, preferences or privileges (including economic interests or contractual rights) of the Wafra Participation Entity's interests in such joint venture (other than dilution alongside the applicable member of the DigitalBridge Group with respect to the economics to be shared with the joint venture partner in a bona fide joint venture) or (2) is intended to facilitate the allocation of Gross Carried Interest to current or former Digital Colony Personnel or current or former personnel of the DigitalBridge Group; and

(ix) settling any litigation or regulatory action, suit, claim, proceeding or investigation if such settlement imposes any conditions or restrictions on the Wafra Participation Entity (including a settlement that would amend or modify any substantive provision or agreement that is specific to the Wafra Participation Entity in its capacity as such) or (y) (with the Wafra Participation Entity's consent not to be unreasonably withheld, conditioned or delayed) settling any litigation or regulatory action, suit, claim, proceeding or investigation if such settlement otherwise would disproportionately adversely affect the rights, preferences or privileges (including economic interests or contractual rights) of the Wafra Participation Entity with respect to its Ownership Interests, or (z) taking any action (including settling any litigation) that would create material and adverse regulatory restrictions or tax obligations for the Wafra Participation Entity or any of its Affiliates outside of the Ownership Interests, unless in each case required by applicable Law; for the avoidance of doubt, matters relating to tax audits and other Tax Proceedings shall be governed by Annex A hereto.

Notwithstanding anything contained herein to the contrary, no consent right provided to the Wafra Representative herein shall be deemed to provide the Wafra Representative with any right to "control" the GP, any Digital Colony Fund, any general partner thereof or any present or future Portfolio Companies, as the term "control" may be defined in applicable rules and regulations of the Federal Communications Commission.

(b) Donations. The Company hereby covenants and agrees not to make payments or donations in connection with political activities, campaigns or religious groups except as consistent with past practice in all material respects up to \$100,000 in the aggregate per year or in respect of any DigitalBridge Group employee or board matching contributions.

(vi) ensure that the assets of each Digital Colony Fund shall not at any time constitute or be treated as constituting (by reason of a contractual agreement with investors or otherwise) “plan assets” subject to Title I of ERISA, Section 4975 of the Code, or any Law substantially similar to Title I of ERISA or Section 4975 of the Code;

(vii) use reasonable best efforts not to engage in any business or other activities that could cause the Company and its Subsidiaries to be in violation of applicable anti-money laundering, economic sanctions, anti-bribery or anti-boycott Laws of the United Kingdom, the United States or any other jurisdiction in which the Company and its Subsidiaries conduct the Digital Colony Business in any material respect;

(viii) (x) maintain and comply with “know your customer” and money laundering reporting procedures, and procedures designed for detecting and identifying money laundering, and detecting, identifying and reporting suspicions of money laundering to the appropriate regulators, including, where required by applicable Law and (y) prior to accepting a commitment from any investor in any Digital Colony Fund, confirm that such investor is not identified on the OFAC list of Specially Designated Nationals and Blocked Persons (the “SDN List”) or any other applicable restricted party list or otherwise subject to sanctions administered by OFAC or any other U.S., U.K. or E.U. Governmental Authority or owned or Controlled by or acting on behalf of any Person listed on the SDN List or any other applicable restricted party list, to the extent prohibited by applicable Law;

(ix) use reasonable best efforts to ensure that none of the Company nor its Subsidiaries shall: (i) use any of the assets of the Company or any of its Subsidiaries for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity or to the making of any direct or indirect unlawful payment to government officials or employees from such assets; (ii) establish or maintain any unlawful fund of monies or other assets; (iii) make any false or fictitious entries in the books or records of any of the Company, its Subsidiaries; or (iv) make any unlawful payment; and

(x) keep in full force and effect the material insurance policies covering the Company and its Subsidiaries (or other insurance policies comparable in amount and scope).

(e) Non-Disparagement. Each Party agrees that, it shall not, and shall use commercially reasonable efforts to ensure that its Affiliates, officers, directors, members and partners do not, knowingly publish, disseminate, or contribute to the publication or dissemination of (as author or “source”) in any book, periodical or other publicly disseminated medium, or in interviews intended for public dissemination, any non-public information regarding any other Party, including information relating to their experiences hereunder. (iv) no broker, finder, financial advisor or investment banker is entitled to any broker's, finder's, financial advisor's, or investment banker's fee or commission or similar payment in connection with the transactions contemplated by this Agreement based upon arrangements made by or on behalf of any such DigitalBridge Party (other than arrangements where a DigitalBridge Party or its Affiliates would be solely responsible for such payments).

Section 7. Transfers; Assignment.

(a) Transfers by the Wafra Participation Entity.

(i) Transfers by Wafra Participation Entity. The Wafra Participation Entity (or other applicable Wafra Entity) shall not Transfer all or any portion of its Ownership Interests, or Identified Sponsor Commitments without Digital Colony Consent (not to be unreasonably withheld, conditioned or delayed); provided, that the Wafra Participation Entity (or other applicable Wafra Entity) may effect the following Transfers of all or any portion of the Ownership Interests, or Identified Sponsor Commitments without Digital Colony Consent: (i) subject to the relevant Wafra Entity’s compliance with the terms set forth in Section 7(c), Transfers made on or following July 17, 2025; (ii) Transfers to any Wafra Entity; (iii) Transfers in connection with a Wafra IPO of a broader portfolio of asset managers held by any Wafra Entity where the Ownership Interests owned by any Wafra Entity in such Wafra IPO comprise no more than 24.9% of such portfolio (as determined on a fair market value basis); (iv) Transfers in connection with an internal reorganization or similar transaction affecting any Wafra Entity; (v) Transfers made in connection with an in-kind distribution by a Wafra Entity to any direct or indirect partners, members or other equity holders thereof; (vi) Transfers in connection with any pledge, lien or other transfer related to a customary debt financing or any equity, preferred or structured equity financing of any Wafra Entity; (vii) Transfers as part of a Portfolio Sale; (viii) Transfers from and after the date of any DigitalBridge Change of Control or DigitalBridge Bankruptcy; and (ix) a Transfer to a single Transferee and one or more of its Affiliates of an Ownership Interest representing up to 5.0% in the aggregate of the Ownership Interests as of the Effective Date. Notwithstanding anything to the contrary in this Agreement, Digital Colony Consent shall be required in the event that such direct or indirect Transferee (or its Affiliates) is an Unapproved Third Party. In the case of clauses (iii), (vi) and (vii) of this Section 7(a)(i), the Wafra Participation Entity shall remain the direct party to this Agreement and the applicable Ancillary Agreements. In the case of clauses (i), (ii), (iv), (v), (viii) and (ix), (A) such Transferee will be subject to the same terms, conditions and contractual undertakings with respect to Wafra Participation Entity, and (B) if any such Transfer is a Transfer of less than all of the Wafra Participation Entity’s Ownership Interests, the rights of the Wafra Representative will be exercised by a single Person (and no more than two Transferees of the Wafra Participation Entity shall be entitled to exercise such rights indirectly at any one time). Notwithstanding anything to the contrary herein, upon the occurrence of an event or occurrence described in clauses (c) or (d) of the definition of Triggering Event (as defined in the Agreement of Purchase and Sale), the Wafra Participation Entity’s (and any other Wafra Entity’s) Ownership Interests, Identified Sponsor Commitments and the Specified Investment shall become freely transferable. For the avoidance of doubt, no transfer of Common Stock by any of the Seller, Wafra Participation

Entity or any of their respective Affiliates shall constitute a “Transfer” for purposes of this Section 7 and no restrictions set forth in this Section 7 shall apply to such transfers.

(ii) Cooperation with Transfers. In connection with the Transfers pursuant to clauses (i), (iii), (vi), (vii), (viii) and (ix) of Section 7(a)(i), the Company, each applicable Subsidiary of the Company and DBOC shall cooperate as reasonably necessary, execute and deliver such agreements and instruments, provide such reasonable support and assistance by providing Confidential Information to any potential Transferee as would customarily be made available to a potential buyer in a sale of a minority position (i.e., consistent with the level and type of information provided to the Wafra Entities in connection with the Contemplated Transactions) or to an underwriter in a Wafra IPO, including documents and reasonable opportunities to ask questions of key executives as customarily provided in connection with a “due diligence” investigation as a Wafra Participation Entity may reasonably request in connection with any Transfer (or potential Transfer) of its right to any of its Ownership Interest or in connection with a Wafra IPO (or potential Wafra IPO); provided, that if requested by the Company, any of its Subsidiaries or DBOC, any such potential Transferee shall execute a customary confidentiality agreement in a form and substance reasonably satisfactory to the Digital Colony Representative. The Company shall make customary knowledge qualified representations and warranties to the Wafra Participation Entity (without any indemnification obligations in respect thereof) to allow the Wafra Participation Entity to make representations and warranties related to the Company or any of its Subsidiaries in connection with any such Transfers. Notwithstanding any other provision of this Agreement or the Ancillary Agreements to the contrary, the Wafra Entities shall be free to consummate a Wafra IPO in accordance with Section 7(a)(i) at any time; provided, that any disclosure in connection with such Wafra IPO shall not (a) specifically or separately identify or present any financial information regarding the Digital Colony Companies, the Digital Colony Funds or any Portfolio Companies or any stakeholders of any of the foregoing in any public filings relating to such Wafra IPO unless presented on an aggregate basis with all other companies in which the Digital Colony Companies, the Digital Colony Funds or any Portfolio Companies invest such that the identity of such Persons, as applicable, could not be reasonably deduced therefrom or (b) require the filing of any Ancillary Agreement not already publicly disclosed (clauses (a) and (b), the “Non-Aggregated Information”). Following such Wafra IPO, the Non-Aggregated Information shall not be disclosed unless required by applicable Law or with the prior written consent of the Digital Colony Representative. In connection with any such Wafra IPO, the Company shall cause each of the Digital Colony Companies to provide reasonable cooperation, support, assistance and information (to the extent reasonably available, the disclosure of which would not violate any Law or any agreement to which any DigitalColony Company, any Digital Colony Fund or any of their Affiliates is subject, or if any other action required or requested by a regulatory authority would not reasonably be expected to have an adverse effect in any material respect on DigitalBridge Group, the Company and its Subsidiaries or any of their respective Affiliates) to the applicable Wafra Entities, at such Wafra Entities’ expense for any reasonable out-of-pocket expense, to the extent that such Wafra Entities’ counsel advises is required in connection with such Wafra IPO. The Wafra Representative shall consult with the Company and its Subsidiaries in good faith regarding, and provide the Company and its Subsidiaries a reasonable opportunity to review and comment upon, the form of any disclosure regarding the Digital Colony Companies, the Digital Colony Funds, the Portfolio Companies or any stakeholders thereof in connection with or following an Wafra IPO. The obligations of the Company, its Subsidiaries and DBOC pursuant to this Section 7(a)(ii) shall not require the Digital Colony Companies to agree to a restructuring, any regulatory remedies or any other action required or requested by a Governmental Authority that would reasonably be expected to have an adverse effect in any material respect on the Digital Colony Companies or the DigitalBridge Group in connection with regulatory approvals related to any such Transfer.

(b) Conditions to Transfers. It shall be a condition of the Transfer of any Ownership Interests (i) to any Person, that such Transfer shall not be effected if such Transfer would violate applicable Law or would cause the Company to become a “publicly traded partnership” within the meaning of Section 7704(b) of the Code, and (ii) to any Person who is not a party to this Agreement, that such Person sign a joinder to this Agreement binding such Person to the provisions of this Agreement.

(c) Right of First Offer. In the event that any Wafra Participation Entity (the “Offering Wafra Participation Entity”) proposes to Transfer all or any portion of the Ownership Interests owned by it to any third party purchaser pursuant to Section 7(a)(i) the Offering Wafra Participation Entity shall first make an offering of such Ownership Interests to DBOC (together with any Controlled Affiliates of DBOC that DBOC designates to exercise its rights under this Section 7(c) (the “Offered Party.”)) in accordance with the following:

(i) The Offering Wafra Participation Entity shall give notice (the “Offer Notice”) to the Offered Party, stating (i) its bona fide intention to offer such Ownership Interests, (ii) a description and the number of such Ownership Interests to be offered (the “Offered Interests”), and (iii) the price and any material terms and conditions upon which it proposes to offer such Offered Interests, including a list of proposed Transferees, it being agreed that for so long as the Offering Wafra Participation Entity may sell the Offered Interests to a Transferee without again complying with the right of first offer set forth herein, the Digital Colony Companies will be prohibited from issuing or selling Ownership Interests to any proposed Transferees notified to DBOC.

(ii) By written notification (the “Acceptance Notice”) to the Offering Wafra Participation Entity, within thirty (30) days after the Offer Notice is received, the Offered Party may elect to purchase, at the price and on the terms specified in the Offer Notice, all of the Offered Interests proposed to be Transferred by the Offering Wafra Participation Entity. If the Offered Party does not deliver an Acceptance Notice within thirty (30) days after the Offer Notice is received, the Offered Party shall be deemed to have waived its right to participate in the right of first offer described in this Section 7(c) and the Offering Wafra Participation Entity may Transfer the Offered Interests in accordance with the terms of Section 7(c)(iii). Upon the timely delivery of an Acceptance Notice by the Offered Party pursuant to this Section 7(c)(ii), the Offering Wafra Participation Entity and the Offered Party shall be legally obligated to consummate the sale contemplated thereby within thirty (30) days of the date of the Acceptance Notice (as it may be extended by up to an additional one hundred twenty (120) days as necessary for the expiration of regulatory waiting periods and to obtain regulatory approvals); provided, further, that the Offering Wafra Participation Entity shall only be required to give customary representations and warranties with respect to such Wafra Participation Entity’s due organization, authority to enter into applicable Transfer documentation, non-contravention of applicable Laws and material agreements or required approvals of any Governmental Authority (in respect of which a Wafra Entity is a party), and free and clear title of the relevant Ownership Interests.

(iii) If the Offered Interests referred to in the Offer Notice are not elected to be purchased or acquired as provided in Section 7(c)(ii), the Offering Wafra Participation Entity may, during the one hundred twenty (120) day period following the expiration of such thirty (30) day period provided in Section 7(c)(ii), offer and sell such Offered Interests to any third party at a price not less than 100% of, and upon other terms not materially more favorable to the offeree taken as a whole than, those specified in the Offer Notice. If the Offering Wafra Participation Entity does not consummate the sale of the Offered Interests within such period (as it may be extended by up to an additional one hundred twenty (120) days as necessary for the expiration of regulatory waiting periods and to obtain regulatory approvals), the right of first offer provided hereunder shall be deemed to be revived and such Offered Interests shall not be offered unless first reoffered to the Offered Parties in accordance with this Section 7(c). Notwithstanding the foregoing, at least fourteen (14) days (the “Sale Notice Period”) prior to the desired consummation date of a proposed Transfer pursuant to this Section 7(c)(iii), the Wafra Representative shall deliver a notice to DBOC which shall, to the extent not included in or accompanying the Offer Notice relating to such proposed Transfer (i) identify the cash purchase price at which the proposed Transfer is proposed to be made, (ii) identify the prospective Transferee, (iii) identify the proposed signing date and the proposed closing date of such prospective Transfer, (iv) be accompanied by the substantially final proposed purchase agreement and forms of all other agreements (to the extent available) to be entered into by the Offering Wafra Participation Entity in connection with such Transfer and (v) identify all other material terms and conditions of such Transfer (including with respect to the timing of the payment of the purchase price) (any notice delivered pursuant to this Section 7(c)(iii) (a “Sale Notice”). If the prospective Transferee is an Unapproved Third Party, the Offering Wafra Participation Entity shall not consummate such proposed Transfer without Digital Colony Consent.

(d) Transfers by the Company. The Company may not Transfer, directly or indirectly, its rights or obligations under this Agreement without the prior written consent of the Wafra Participation Entity; provided, that, (i) in connection with any reorganization of DigitalBridge and its Affiliates or other transaction whereby one or more of such entities would succeed to all or part of the Company’s entitlement to Carried Interest, the Company may Transfer its rights and obligations under this Agreement to such entities, and (ii) the Company may Transfer its rights or obligations under this Agreement to an entity that acquires all or substantially all of the business or assets of the Company, whether by merger, reorganization, acquisition, sale or otherwise.

Section 8. Tag-Along Rights(b) .

(a) Tag-Along Sale. In the event of a Transfer (other than a Permitted Transfer or a Drag-Along Sale) of Ownership Interests (the “Tag-Along Interests”) by any member of the DigitalBridge Group, or by any other holders of Ownership Interests other than Wafra Entities, together with their Affiliates and/or Related Persons (to the extent such holders of Ownership Interests, Affiliates and/or Related Persons collectively own 10% or more of the total Ownership Interests outstanding, in the aggregate, at the time of such first Transfer (but without giving effect to such Transfer)) (a “Tag-Along Seller”) to a Third-Party Purchaser (a “Purchaser”), then each Tag-Along Seller shall be required to, and DBOC shall cause (or, with respect to each Tag-Along Seller that is not a Controlled Affiliate of DBOC, take all actions within its control to cause) each Tag-Along Seller to, provide the Wafra Participation Entity and the Wafra Representative with at least thirty (30) days’ prior written notice of such Transfer (the “Tag-Along Notice”), which notice shall identify the Purchaser, the percentage of the Ownership Interests proposed to be Transferred by the Tag-Along Seller (including the corresponding percentages of Carried Interest in respect of the Digital Colony Funds proposed to be Transferred as a result of the proposed Transfer of Ownership Interests), the applicable percentage of the then-issued Ownership Interests (including the corresponding percentages of Carried Interest in

respect of the Digital Colony Funds proposed to be Transferred as a result of the proposed Transfer of Ownership Interests) of the Company or applicable Subsidiary that such proposed Transfer represents, a statement as to whether the Company and DBOC would otherwise be required to issue a Drag-Along Notice under Section 9, the purchase price therefor (including the allocation of such purchase price to the Carried Interest in respect of the Digital Colony Funds included as a result of the proposed Transfer of such Ownership Interests), and a summary of the other material terms and conditions of the proposed Transfer. To the extent not previously provided, each Tag-Along Seller shall provide the Wafra Representative, on behalf of the Wafra Participation Entity, with all material information made available to the Purchaser in connection with the proposed Transfer and any other information reasonably requested by the Wafra Representative to the extent available. Within thirty (30) days following receipt of such Tag-Along Notice, the Wafra Participation Entity that hold Ownership Interests may elect, by providing a written offer to the Tag-Along Sellers and the Purchaser, to Transfer to the Purchaser the Ownership Interests specified therein, up to that percentage of the Ownership Interests of such Wafra Participation Entity (the "Tagging Interest") equal to the percentage of the Ownership Interests of the Company or its applicable Subsidiaries (including the corresponding percentages of Carried Interest with respect to the Digital Colony Funds to be Transferred as a result of the proposed Transfer of Ownership Interests) held by the Tag-Along Sellers that is proposed to be Transferred by the Tag-Along Sellers, subject to Section 10 and Section 11, at the same price per Ownership Interest and otherwise on the same terms as those being offered to the Tag-Along Seller (any such Transfer, a "Tag-Along Sale"). Subject to Section 10, such Wafra Participation Entity(s) shall execute all appropriate documents reasonably necessary to Transfer ownership of such Tagging Interest to the Purchaser. Failure by a Wafra Participation Entity to respond in writing within such thirty (30)-day period shall be deemed to be a waiver of its tag-along rights under this Section 8(a) with respect to such Transfer but only to the extent the Tag-Along Seller is not again required to comply with this Section 8(a) in connection with a Transfer. If the Wafra Participation Entity waive their tag-along rights under this Section 10(a), the Tag-Along Sellers shall have the right to consummate such Transfer free of such rights; provided, that (x) such Transfer is fully closed and consummated within one hundred twenty (120) days following the expiration of such thirty (30)-day period (as it may be extended by up to an additional one hundred twenty (120) days as necessary for the expiration of regulatory waiting periods and to obtain regulatory approvals), and (y) the terms of the actual Transfer are no more favorable as to price, and no more materially favorable as to the other terms taken as a whole to the Tag-Along Sellers, than those set forth in the Tag-Along Notice. Notwithstanding the foregoing, if a Wafra Participation Entity elects to Transfer its Tagging Interest as provided herein, the proposed Transfer of Tag-Along Interests by the Tag-Along Seller to the Purchaser shall not be permitted hereunder and any such purported Transfer shall not be valid (and thus shall not have any force or effect) unless the Purchaser accepts and purchases all of the Tagging Interests tendered by the Wafra Participation Entity(s) in connection with such proposed Transfer; provided, that, in the event that the Purchaser elects to acquire less than the full amount of both the Tag-Along Interests and the Tagging Interests, the amount of Tag-Along Interests and Tagging Interests being sold to such Purchaser shall be cut back such that the Tag-Along Seller shall be permitted to sell an amount of Tag-Along Interests that represents the same percentage of the Tag-Along Seller's total Ownership Interests (including the corresponding percentages of Carried Interest with respect to the Digital Colony Funds to be Transferred as a result of the proposed Transfer of such Ownership Interests) in the Company or its applicable Subsidiaries as the amount of the Tagging Interest that the Wafra Participation Entity are selling to the Purchaser. Notwithstanding anything contained herein to the contrary, there shall be no liability on the part of DigitalBridge or any of its Affiliates to any Wafra Participation Entity if a proposed Transfer of Ownership Interests pursuant to this Section 8(a) is not consummated for any reason, except as otherwise set forth in the definitive documentation related thereto.

(b) Expenses. For the avoidance of doubt, the Wafra Participation Entity(s) and the Tag-Along Sellers shall each pay their respective pro rata share (based on aggregate

proceeds to be received in connection with such Transfer by the applicable Wafra Participation Entity(s) and the Tag-Along Seller(s)) of the aggregate expenses incurred by all of the applicable Wafra Entities and Tag-Along Seller(s) in connection with any proposed sale or Transfer of the nature referred to in this Section 8.

Section 9. Drag-Along Rights(c) .

(a) Drag-Along Sale. If the Persons holding Ownership Interests in the Company representing (i) 50% or more of the voting power of all such outstanding Ownership Interests, in the aggregate, and (ii) the entitlement to receive 50% or more of all distributions, including distributions of Carried Interest, individually or in the aggregate (the "Drag-Along Sellers") desire to Transfer to any Purchaser, Ownership Interests in the Company representing (1) 50% or more of the voting power of all such outstanding Ownership Interests, in the aggregate, and (2) the entitlement to receive 50% or more of all distributions, including distributions of Carried Interest, whether in one transaction or a series of related transactions (any such transaction or series of related transactions, a "Drag-Along Sale"), then the Company and DBOC shall or shall cause the Drag-Along Sellers to give thirty (30) days' prior written notice to the Wafra Representative of the Drag-Along Sale (a "Drag-Along Notice") which notice shall identify the Purchaser, the percentage of its Ownership Interests proposed to be Transferred in the Drag-Along Sale, the applicable percentage of the then-issued Ownership Interests (including the corresponding percentages of Carried Interest with respect to the Digital Colony Funds to be Transferred as a result of the proposed Transfer of such Ownership Interests) that such proposed Transfer represents and a summary of the other material terms and conditions of the proposed Drag-Along Sale. To the extent not previously provided, each Drag-Along Seller shall make available to the Wafra Participation Entity all material information made available to the Purchaser in connection with the Drag-Along Sale and any other information reasonably requested by the Wafra Representative to the extent available, and (subject to the Wafra Participation Entity's rights under Section 10 and Section 11) require the Wafra Participation Entity(s) holding Ownership Interests to sell to the Purchaser at the same price per Ownership Interest and otherwise on the same terms and conditions as those being offered to the Drag-Along Sellers (except as set forth in Section 10 and Section 11) that percentage of their Ownership Interests (including the corresponding percentages of Carried Interest with respect to the Digital Colony Funds to be Transferred as a result of the proposed Transfer of such Ownership Interests) (the "Wafra Dragged Interests") as is equal to the percentage of the then issued Ownership Interests proposed to be sold by the Drag-Along Sellers.

(b) Wafra Draggged Interests. Following receipt of a Drag-Along Notice, the Wafra Participation Entity(s) holding Ownership Interests shall be obligated to sell to the Purchaser the Wafra Draggged Interests at the same time as the Drag-Along Sellers to the Purchaser. Notwithstanding any provision to the contrary in this Agreement, the Wafra Participation Entity(s) shall only be required to Transfer the Wafra Draggged Interests in the event that the Purchaser accepts and purchases all of the Wafra Draggged Interests required by the terms of this Agreement to be acquired by the Purchaser in connection with such Drag-Along Sale.

Section 10. Other Tag and Drag Provisions.

(a) Additional Conditions to Tag-Along Sales and Drag-Along Sales(i) . In connection with any Tag-Along Sale or Drag-Along Sale, the Wafra Participation Entity(s) shall execute all appropriate documents reasonably necessary to Transfer ownership of the Tagging Interest or Wafra Draggged Interest, as the case may be; provided, that such Wafra Participation Entity(s) (a) shall only be required to give customary representations and warranties with respect to such Wafra Participation Entity's due organization, authority to enter into applicable Transfer documentation, non-contravention of applicable Laws and material agreements, or required approvals of any Governmental Authority (in respect of which a Wafra Entity is a party), and free and clear title of the relevant Ownership Interests, (b) shall not be required to provide any indemnification with respect to any representations, warranties, covenants or agreements made by any other Person, including any DigitalBridge Party (for the avoidance of doubt, subject to subclause (a), such Wafra Participation Entity(s) may be required to provide indemnification in respect of its own representations, warranties, covenants or agreements), (c) shall not be required to bear more than its pro rata portion (based on proceeds received by such Wafra Participation Entity(s) as compared to the aggregate proceeds in connection with the Transfer) of any indemnification obligation with respect to the representations, warranties and covenants of the other owners of the Ownership Interests (which shall not in any event exceed the net proceeds received by such Wafra Participation Entity(s) in consideration for the Transfer of such Tagging Interest or Wafra Draggged Interest, as the case may be), and (d) except for confidentiality restrictions consistent with those set forth in this Agreement, shall not be required to agree to any non-compete or other similar restrictive covenants. In addition, each Wafra Participation Entity and each DigitalBridge Party shall cooperate in good faith to effect such Tag-Along Sale or Drag-Along Sale in such a manner so as to minimize any adverse legal, regulatory or tax consequences to such Wafra Participation Entity and the Company and its Subsidiaries and to minimize the Parties' obligations to obtain any consents from a third party or Governmental Authority. For the avoidance of doubt, as of the Effective Date, the Wafra Participation Entity has an Ownership Interest that entitles it to an amount equal to the portion of Applicable Carried Interest attributable to the Retained Interests, as set forth on Schedule A.

(b) Consideration.

(i) Valuation. In connection with any Tag-Along Sale or Drag-Along Sale, in evaluating whether the relevant Ownership Interests are being sold at the same price per Ownership Interest and on the same terms and subject to the same conditions that are applicable to the Tag-Along Sale or Drag-Along Sale proposed by the Tag-Along Sellers or Drag-Along Sellers, as applicable, pursuant to Section 8 or Section 9, the Digital Colony Representative, as applicable, and the Wafra Representative, will work together in good faith to agree on the valuation for the Ownership Interests being sold by the Wafra Participation Entity, based on the value ascribed by the Purchaser to the Ownership Interests (including the allocation of such purchase price to the Carried Interest in respect of the Digital Colony Funds included as a result of the proposed Transfer of such Ownership Interests) being Transferred and taking into account all of the economics offered to the Tag-Along Sellers and Drag-Along Sellers, as applicable, and each of their respective Affiliates (other than industry standard compensation for future services

rendered that are bona fide market compensatory payments), but without regard to time constraint or any contractual restriction, minority, lack of liquidity or marketability, or similar discount; provided, that for purposes of this Section 10(c)(i), any securities to be received as consideration in connection with a Tag-Along Sale or a Drag-Along Sale (to the extent permitted hereunder) shall be valued at the fair market value thereof on a post-transaction basis (and not at the value of the Ownership Interests that, absent this Section 10(c)(i), would otherwise be exchanged therefor) which fair market value shall not give effect, for purposes hereof, to any discounts as to lack of liquidity, marketability or minority interest or similar discount.

(ii) Independent Appraiser. Absent agreement by the relevant parties with respect to the valuation of the Ownership Interests held by the Wafra Participation Entity, any applicable Tag-Along Sellers or Drag-Along Sellers, as the case may be, and the Digital Colony Representative and the Wafra Representative shall jointly select an Independent Appraiser to determine the value of the Ownership Interests, who will be instructed to take into account the value of any offer made by an independent third party in making its determination; provided, that the Independent Appraiser shall not be permitted or authorized to determine a valuation of the Ownership Interests that is outside of the range of the valuation of the Ownership Interests proposed by the Wafra Representative, on the one hand, and the Tag-Along Sellers or the Drag-Along Sellers, as the case may be, on the other hand. The Independent Appraiser shall be instructed, as soon as reasonably practicable but within thirty (30) days of the date of the engagement of the Independent Appraiser, to complete its valuation of the Ownership Interests proposed to be Transferred in connection with such transaction, giving due regard to the transaction with the applicable Purchaser, the different series, classes or types of Ownership Interests (taking in account the factors described in Section 10(c)(i)) and other assets included in the transaction, and other relevant market factors. The determination of the Independent Appraiser shall be final, binding and conclusive on all parties hereto for all purposes of this Agreement. In connection with the Independent Appraiser's determination of the value of such Ownership Interests, the Independent Appraiser shall have reasonable access to the DigitalBridge Companies' management team and the books, records and other information reasonably requested by such the Independent Appraiser. The fees and expenses of the Independent Appraiser shall be borne by the Wafra Representative, on the one hand, and by the Tag-Along Sellers or the Drag-Along Sellers, as the case may be, on the other hand, in inverse proportion as they may prevail on the matters resolved by the Independent Appraiser based on the valuation of the Ownership Interests submitted by each of the Wafra Representative and the Tag-Along Sellers or the Drag-Along Sellers, as the case may be, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar values of the amount of the valuation in dispute and shall be determined by the Independent Appraiser at the time its determination is rendered on the merits of the matters submitted.

(iii) In connection with any Drag-Along Sale, (i) the relevant Wafra Participation Entity(s) will receive per Ownership Interest consideration pro rata with the other owners of Ownership Interests (including, directly or indirectly, any member of the DigitalBridge Group) and taking into account any differences in value as set forth in this Section 10(c), (ii) in such Drag-Along Sale, the relevant Wafra Participation Entity(s) shall be entitled to receive 100% cash consideration.

(iv) For the avoidance of doubt, the Wafra Participation Entity(s) and the Tag-Along Sellers or Drag-Along Sellers, as applicable, shall each pay their respective pro rata share (based on aggregate proceeds to be received in connection with such Transfer by the applicable Wafra Participation Entity(s) and the Tag-Along Seller(s) or the Drag-Along Seller(s) as applicable) of the aggregate expenses incurred by all of the applicable Wafra Participation Entity(s) and the Tag-Along Seller(s) or the Drag-Along Seller(s), as applicable, in connection with any proposed sale or Transfer of the nature referred to in Section 8, Section 9 and Section 10(a).

Section 11. SPE Investor. In the event of a Tag-Along Sale, a Drag-Along Sale or a Transfer pursuant to Section 10(a), in each case in which one or more of the Wafra Participation Entity(s) are Transferring all of their Ownership Interests in the Company, the Company, its Subsidiaries and DBOC shall reasonably cooperate with the Wafra Representative to structure such Transfer with respect to each such Wafra Participation Entity that is, or that has any direct or indirect owner that is, in each case, a special purpose vehicle (each, an “SPE Investor”) to include each such SPE Investor in such Tag-Along Sale, Drag-Along Sale or Transfer, on the terms of such Tag-Along Sale, Drag-Along Sale or Transfer, or the consummation of such Tag-Along Sale or Drag-Along Sale, it being understood and agreed that any costs associated with such inclusion (including reduced transaction value due to the inclusion of such special purpose vehicles) shall be borne solely by such Wafra Participation Entity.

Section 12. Anti-Dilution(a) . In no event shall any Wafra Entity’s Ownership Interests, directly or indirectly, be diluted without Wafra Consent. (b)

Section 13. New DigitalBridge Party(i) . Subject to the restrictions on Transfers provided herein, to the extent of any assignment or Transfer by a DigitalBridge Party or DBOC to another Person, then DBOC shall cause such Person to execute and deliver to the Parties a joinder to this Agreement, and upon such execution to become a party to, and be bound by, the terms of this Agreement as “DBOC”, a “DigitalBridge Party” or “DigitalBridge” hereunder, as applicable.

Section 14. Confidentiality. The Parties agree that this Agreement and its contents, and any information provided or accessed hereunder are Confidential Information pursuant to the DBMH Investor Rights Agreement.

Section 15. Indemnification.

(a) Indemnification by the Digital Colony Funds. DBOC shall take all commercially reasonable actions within its control to cause the general partner (or comparable Person) of each Future Co-Investment Vehicle to enter into Organizational Documents for each future Digital Colony Fund that contain indemnification provisions substantially similar, to those set forth in the Organizational Documents of Fund I as of the date of this Agreement, as such terms may be reasonably modified, based on the advice of external counsel, for any Digital Colony Fund organized under the laws of a jurisdiction other than the State of Delaware (the “Indemnification Arrangement”). In the event the Company believes, due to legal, commercial, regulatory or other reasons, that the general partner (or comparable Person) of a future Digital Colony Fund will not be able to implement the Indemnification Arrangement, the Company will consult in good faith with the Wafra Representative; provided, that in all cases, the Wafra Entities and Wafra Indemnified Parties shall have the same rights to indemnification as the comparable members of the DigitalBridge Group. Such indemnification provisions shall provide rights to contractual rights holders and their personnel and equityholders to account for the nature of the Ownership Interests.

(b) Indemnification by the Company. Subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Company from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including reasonable legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts arising from any and all threatened, pending or completed claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, and whether formal or informal and including appeals (a “Proceeding”), in which any Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnitee and acting (or refraining to act) on behalf of the Company or its Subsidiaries or at the direction of the Company or its Subsidiaries. Notwithstanding the foregoing, an Indemnitee shall not be indemnified and held harmless pursuant to this Agreement if there has been a final and non-appealable judgment entered by a court of competent jurisdiction determining that, in respect of the matter for which the Indemnitee is seeking indemnification pursuant to this Agreement, the Indemnitee acted in bad faith or engaged in fraud, gross negligence or willful misconduct. Any indemnification pursuant to this Section 15 shall be made only out of the assets of the Company, it being agreed that the owners of Ownership Interests shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Company to enable it to effectuate such indemnification. Any right to indemnification conferred in this Section 15 shall include a right to be paid or reimbursed promptly by the Company for any and all reasonable and documented out-of-pocket expenses as they are incurred by a Indemnitee entitled or authorized to be indemnified under this Section 15 who was, is or is threatened, to be made a named defendant or respondent in a Proceeding in advance of the final disposition of the Proceeding and without any determination as to such Indemnitee’s ultimate entitlement to indemnification; provided, that the payment of such expenses incurred by any such Indemnitee in advance of final disposition of a Proceeding shall be made only upon delivery to the Company of a written affirmation by such Indemnitee of its good faith belief that he has met the requirements necessary for indemnification under this Section 15 and a written undertaking by or on behalf of such Indemnitee to promptly repay all amounts so advanced if it shall ultimately be determined that such indemnified Person is not entitled to be indemnified under this Section 15 or otherwise.

(c) Other Rights. The indemnification provided by this Section 15 shall be in addition to any other rights to which an Indemnitee may be entitled under any agreement, pursuant to any vote of the owners of Ownership Interests, as a matter of law, in equity or otherwise, both as to actions in the Indemnitee’s capacity as an Indemnitee and as to actions in any other capacity, and shall continue as to an Indemnitee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnitee.

(d) Insurance. The Company may purchase and maintain insurance, on behalf of the Company, its Affiliates, the Indemnitees and such other Persons as the Company shall determine, against any liability that may be asserted against, or expense that may be incurred by, such Person in connection with the Company’s or any of its Affiliate’s activities or such Person’s activities on behalf of the Company or any of its Affiliates, regardless of whether the Company would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) Benefit. The provisions of this Section 15 are for the benefit of the Indemnitees and their heirs, successors, assigns, executors and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(f) Amendment. Any amendment, modification or repeal of this Section 15 or any provision hereof shall be prospective only and shall not in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Company, nor the obligations of the Company to indemnify any such Indemnitee under and in accordance with the provisions of this Section 15 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

(G) APPLICATION. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, AND SUBJECT TO SECTION 15(a), THE PROVISIONS OF THE INDEMNIFICATION PROVIDED IN THIS SECTION 15 ARE INTENDED BY THE OWNERS OF OWNERSHIP INTERESTS TO APPLY EVEN IF SUCH PROVISIONS HAVE THE EFFECT OF EXCULPATING THE INDEMNITEE FROM LEGAL RESPONSIBILITY FOR THE CONSEQUENCES OF SUCH PERSON'S NEGLIGENCE, FAULT OR OTHER CONDUCT.

Section 16. Term. This Agreement shall remain in full force and effect unless and until terminated by the mutual written consent of each of the Parties hereto.

Section 17. Miscellaneous.

(a) Severability. The invalidity, illegality or unenforceability of any of the provisions of this Agreement shall not affect the validity, legality and enforceability of the remaining provisions of this Agreement. In addition to the foregoing, any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of invalidity or unenforceability without rendering invalid or unenforceable the remaining terms or provisions of this Agreement in any other jurisdiction.

(b) Governing Law. THIS AGREEMENT AND THE RIGHTS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (EXCLUDING CONFLICT OF LAW RULES AND PRINCIPLES).

(c) Dispute Resolution. Without limiting the rights of any Party under paragraph (d) below, each of the Parties irrevocably submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York located in the borough of Manhattan in the City of New York, or if such court does not have jurisdiction, the Supreme Court of the State of New York, New York County, for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby. To the extent that service of process by mail is permitted by applicable Law, each Party irrevocably consents to the service of process in any such suit, action or other proceeding in such courts by the mailing of such process by registered or certified mail, postage prepaid, at its address for notices provided for herein. Nothing herein shall affect the right of any Person to serve process in any other manner permitted by Law. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in (a) the United States District Court for the Southern District of New York or (b) the Supreme Court of the State of New York, New York County, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in

an inconvenient forum. The Parties hereby irrevocably and unconditionally waive trial by jury in any legal action or proceeding relating to this Agreement or any other agreement entered into in connection therewith and for any counterclaim with respect thereto.

(d) Specific Performance. The Parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. Accordingly, the Parties agree that, in addition to any other remedies, each Party shall be entitled to seek to enforce the terms of this Agreement by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy. Each Party hereby waives any requirement for the securing or posting of any bond in connection with such remedy. Each Party further agrees that such Party shall oppose the granting of an injunction or specific performance as provided herein on the basis that any other Party has an adequate remedy at law or that an award of specific performance is not an appropriate remedy for any reason at law or equity.

(e) Notices. All notices and other communications given or made pursuant hereto shall be in writing and shall be deemed to have been duly given or made (a) as of the date delivered, if delivered personally, (b) on the date delivered, if delivered by facsimile or email (provided, that notice is also sent by one of the methods described in clauses (a), (c) or (d), (c) five (5) Business Days after being mailed by registered or certified mail (postage prepaid, return receipt requested)) or (d) one (1) Business Day after being sent by overnight courier (providing proof of delivery), to the Parties at the following addresses (or at such other address for a Party as shall be specified in a notice given in accordance with this Section 17(e) (Notices)):

(f) Amendments; Waiver. Any amendment, waiver or variation of this Agreement shall not be binding on the Parties unless it is agreed in writing and signed by the Wafra Representative (on behalf of the Wafra Participation Entity) and the Digital Colony Representative (on behalf of the DigitalBridge Parties). The failure by any Party hereto to enforce at any time any of the provisions of this Agreement shall in no way affect the validity of this Agreement or any part hereof or the right of such Party thereafter to enforce each and every such provision. No waiver of any breach of or non-compliance with this Agreement shall be held to be a waiver of any other subsequent breach or non-compliance. The observance of any provision of this Agreement may be waived in writing by the Party that will lose the benefit of such provision as a result of such waiver.

(g) Third Party Beneficiaries(i) . No Person other than the Parties shall be entitled to any benefits under the Agreement, except as otherwise expressly provided herein; provided, that notwithstanding anything to the contrary in this Agreement, the parties specifically acknowledge and agree that the Indemnitees shall be third party beneficiaries of the provisions of Section 15, and shall be entitled to rely upon and enforce the terms of such provisions of Section 15.

(h) Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and all of such counterparts shall together constitute one and the same document. Any signature required for the execution of this Agreement may be in the form of either an original signature or a facsimile or other electronic transmission bearing the signature of any Party to this Agreement. No objection shall be raised as to the authenticity of any signature due solely to the fact that said signature was transmitted via facsimile or other electronic transmission.

(i) Entire Agreement; Amendments; Further Assurances. This Agreement, together with the Exhibits and Schedules hereto, the 2020 Ancillary Agreements, the 2022 Ancillary Agreements and other written agreements executed in connection herewith or therewith, supersedes all prior agreements and understandings between the Parties with respect to the subject matter hereof, and constitutes the complete agreement and understanding among the Parties unless modified in a writing signed by all of the Parties. If any of the provisions of this Agreement are found to conflict with or otherwise be inconsistent with any of the provisions of any of the 2020 Ancillary Agreements or the 2022 Ancillary Agreement other than the Agreement of Purchase and Sale (except as otherwise expressly provided herein), the provisions of this Agreement shall prevail. In the event of a conflict between the terms and conditions of this Agreement and the Agreement of Purchase and Sale, the terms and conditions of the Agreement of Purchase and Sale shall control in all respects. Each Party to this Agreement agrees to execute such documents and other papers and use its reasonable efforts to perform or cause to be performed such further acts as are necessary to carry out the provisions contained in this Agreement, the 2020 Ancillary Agreements and the 2022 Ancillary Agreements. Upon the reasonable request of any Party, the other Parties agree to promptly execute and deliver such further instruments of assignment, transfer, conveyance, endorsement, direction or authorization and other documents as may be reasonably requested to the extent necessary to effectuate the purposes of this Agreement, the 2020 Ancillary Agreements and the 2022 Ancillary Agreements. DBOC shall cause each Digital Colony Company that is not a Party to comply with any applicable obligations and perform any applicable covenants as set forth in this Agreement.

(j) Tax Treatment. For United States federal (and applicable state, local and non-U.S.) income tax purposes, the Parties agree to (i) treat the amendment and restatement of the 2020 CIPA in respect of the Carried Interest as resulting in a sale by the Wafra Participation Entity of a portion of its partnership interest in the Company to the other partner(s), (ii) cause the Company to give effect to such sale for purposes of allocating Company tax items under Section 706 of the Code (and the Treasury Regulations thereunder), (iii) treat this Agreement (together with Annex A), as a modification to the Partnership Agreement and as included in the Partnership Agreement for purposes of Section 761(c) of the Code and Treasury Regulations Sections 1.704-1(b)(2)(ii)(h) and 1.761-1(c), and (iv) treat (A) the Company as a “partnership” within the meaning of Section 761(a) of the Code and each of the Wafra Participation Entity, CFI RE Holdco (or its regarded owner) and the GP as a “partner” in the Company within the meaning of Section 761(b) of the Code, and (B) any payments made under Section 2 of this Agreement as distributions by the Company under Section 731 of the Code, and the Parties shall not take any position inconsistent with such treatment (on any tax return or otherwise), except as required by a final “determination” (as defined in Section 1313(a) of the Code). For the avoidance of doubt, other than with respect to the tax treatment described in this Section 17(j) (Tax Treatment) and Annex A hereto, the Wafra Participation Entity is not a partner, member or other equityholder of the Company and shall not, by virtue of this Agreement or otherwise, be entitled to (x) any governance or voting rights in respect of the Company or (y) without limiting its right to receive the payments described in Section 2(a) (Revenue Share) of this Agreement, any distributions from the Company.

(k) Headings. The table of contents and all Section titles and captions in this Agreement are for convenience only. They shall not be deemed part of this Agreement and in no way define, limit, extend or describe the scope or intent of any provisions hereof.

(l) Expenses. Except as otherwise expressly provided in this Agreement, each of the Parties hereto agrees to pay the costs and expenses incurred by it in connection with the negotiation, preparation, execution and delivery of this Agreement and the 2022 Ancillary Agreements and the consummation of the 2022 Transaction, including, the fees and expenses of counsel to, and other representatives of, such Party (collectively, “Transaction Expenses”); provided, that notwithstanding anything in this Agreement or the Ancillary Agreements to the

contrary, DBOC covenants and agrees that the Wafra Participation Entity shall not directly or indirectly bear any portion of the Transaction Expenses for which any Digital Colony Company is responsible hereunder by virtue of such Wafra Participation Entity's Ownership Interest in the Company and its Subsidiaries. Any future Digital Colony Fund shall bear all costs and expenses as provided for in the offering documents of such Digital Colony Fund, including all costs related to the establishment of such Digital Colony Fund; provided, that the Wafra Participation Entity shall bear its proportionate share of the organizational and operational expenses any Digital Colony Fund in which it (or another Wafra Entity) invests or participates through a general partner commitment.

Except for Transfers in accordance with this Agreement, neither this Agreement, nor any of the rights, benefits or obligations hereunder, may be assigned by any Party without the consent of the other Parties hereto. For the avoidance of doubt, in connection with Transfers in accordance with this Agreement, the Wafra Participation Entity shall be entitled to assign this Agreement and any of the Wafra Participation Entity's rights, benefits and obligations hereunder. Any Person who desires to become a Party to this Agreement in connection with any Transfer or otherwise in accordance with this Agreement shall, and the applicable Transferor or assignee of such Person shall cause such Person to, execute and deliver to the Parties a joinder agreement, and upon such execution and delivery become a Party to, and bound by the terms of, this Agreement. ANNEX A

1. General Provisions.

a. The economic arrangement among the Parties hereto in respect of the Carried Interest is embodied in the Amended and Restated Carried Interest Participation Agreement and this Annex shall not be construed in a manner that is contrary to such arrangement, it being understood that this Annex shall govern solely the tax consequences and tax related matters of such arrangement.

b. Any termination of the Amended and Restated Carried Interest Participation Agreement or Transfer of any Party's rights and obligations under the Amended and Restated Carried Interest Participation Agreement shall not affect the continuing application of the provisions of this Annex, and those provisions providing for the resolution of all matters regarding U.S. federal income tax reporting. The provisions of this Annex shall inure to the benefit of, and be binding upon, the Wafra Participation Entity, CFI RE Holdco and the GP and their successors and assigns.

c. Capitalized terms used in this Annex that are not otherwise defined in the Agreement have the meanings given to them in the Partnership Agreement.

2. Certain Definitions. For the purposes of this Annex A and the Partnership Agreement, the following terms shall have the following meanings.

"Adjusted Capital Account Deficit" means, with respect to any Partner, the deficit balance, if any, in such Partner's Capital Account as of the end of the relevant taxable year, or portion thereof, after giving effect to the following adjustments:

(a) Credit to such Capital Account any amounts which such Partner is deemed to be obligated to restore pursuant to Treasury Regulations Section 1.704-1(b)(2)(ii)(c) and the penultimate sentences in Treasury Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5); and

(b) Debit to such Capital Account the items described in Treasury Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5) and 1.704-1(b)(2)(ii)(d)(6).

The foregoing definition of Adjusted Capital Account Deficit is intended to comply with the provisions of Treasury Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

"Amended and Restated Carried Interest Participation Agreement" means that certain Amended and Restated Carried Interest Participation Agreement to which this Annex is attached.

"Capital Account" shall have the meaning ascribed to such term in Section 5.1 of the Partnership Agreement, as amended by this Annex A.

“Capital Contributions” shall mean with respect to any Partner, the amount of cash and the fair market value (on the date contributed) as determined by the GP of any other property contributed or deemed contributed to the capital of the Company by or on behalf of such Partner (or its predecessors in interest) with respect to the interest in the Company held by such Partner.

“DigitalBridge Party” has the meaning set forth in the Preamble of the Amended and Restated Carried Interest Participation Agreement.

“Distributions” shall mean distributions made by the Company to Partners within the meaning of Section 731, including, for the avoidance of doubt, payments made to the Wafra Participation Entity under Section 2(a) of the Amended and Restated Carried Interest Participation Agreement.

“Partner” shall mean a Person that is treated as a partner of the Company for U.S. federal income tax purposes. For the avoidance of doubt, as a result of the transactions contemplated in the Amended and Restated Carried Interest Participation Agreement, the Wafra Participation Entity will be treated as a Partner of the Company.

“Percentage Interests” shall mean (a) with respect to the Wafra Participation Entity, for each Digital Colony Fund, the Wafra Carried Interest Percentage set forth on Schedule A, and (b) with respect to CFI RE Holdco (or, if CFI RE Holdco is a disregarded entity for U.S. federal income tax purposes, its regarded owner), for each Digital Colony Fund, 100% minus the Wafra Carried Interest Percentage set forth on Schedule A with respect to such Digital Colony Fund.

“Regulatory Allocations” shall have the meaning ascribed to such term in Section 5.3(e) of the Partnership Agreement, as amended by this Annex A.

“Wafra Participation Entity” has the meaning set forth in the Preamble of the Amended and Restated Carried Interest Participation Agreement.

3. Amendments to the Partnership Agreement. The Partnership Agreement is hereby amended by adding the following as a new Article 5.

5. Capital Accounts and Tax Allocations.

5.1 Capital Accounts.

5.1.1 Each Partner shall have a single book capital account which reflects each Partner’s Capital Contributions to the Company (a “Capital Account”) and a single tax capital account which reflects the adjusted tax basis of the Capital Contributions contributed by each Partner to the Company. Each Capital Account and tax capital account shall also reflect the allocations made pursuant to Section 5.1.2 and Section 5.2, Distributions, and otherwise be maintained and adjusted in accordance with Code Section 704 and the principles set forth in Regulations Sections 1.704-1(b) and 1.704-2.

5.1.2 After application of Section 5.2, any remaining net profits or losses of the Company for the taxable year (or items of income, gain, loss or deduction) shall be allocated among the Partners in a manner such that the Capital Account of each Partner, immediately after making such allocation, and after taking into account Distributions made during such taxable year, or portion thereof it, as nearly as possible, equal (proportionately) to (a) the Distributions that would be made to such Partner in a hypothetical liquidation of the Company as of the close of such year (assuming for purposes of such hypothetical liquidation that all the assets of the Company are sold at prices equal to their gross fair market values at the time of their contributions to the Company (and as adjusted as necessary or appropriate to reflect the relative economic interests of the Partners in the Company, as determined in good faith by the GP and approved by all Partners, and adjusted in a manner consistent with Treasury Regulations Section 1.704-1(b)(2)(iv)(m)) and the net proceeds thereof are distributed to the Partners in accordance with their Percentage Interests after the payment of all Company liabilities were satisfied (limited, in the case of recourse liabilities, to the collateral securing or otherwise available to satisfy such liabilities)), minus (b) any amounts that the Partner is deemed obligated to restore under Treasury Regulations Section 1.704-2(g)(1) and 1.704-2(i)(5). For the avoidance of doubt, the allocations of Company items of income, gain, deduction, loss or credit are intended to achieve the economic arrangement between the Partners as contemplated by Section 2(a) of the Amended and Restated Carried Interest Participation Agreement.

5.2 Regulatory Allocations.

(a) Notwithstanding any other provision of this Agreement, (i) “partner nonrecourse deductions” (as defined in Treasury Regulations Section 1.704-2(i)), if any, of the Company shall be allocated for each period to the Partner that bears the economic risk of loss within the meaning of Treasury Regulations Section 1.704-2(i) and (ii) “nonrecourse deductions” (as defined in Treasury Regulations Section 1.704-2(b)) and “excess nonrecourse liabilities” (as defined in Treasury Regulations Section 1.752-3(a)), if any, of the Company shall be allocated to the Partners in accordance with their Percentage Interests.

(b) This Agreement hereby includes “qualified income offset,” “minimum gain chargeback” and “partner nonrecourse debt minimum gain chargeback” provisions within the meaning of the Treasury Regulations under Section 704(b) of the Code. Accordingly, notwithstanding any other provision of this Agreement, items of gross income shall be allocated to the Partners on a priority basis to the extent and in the manner required by such provisions.

(c) To the extent that items of loss or deduction otherwise allocable to a Partner hereunder would cause such Partner to have an Adjusted Capital Account Deficit as of the end of the taxable year to which such items of loss or deduction relate (after taking into account the allocation of all items of income and gain for such taxable period), such items of loss or deduction shall not be allocated to such Partner and instead shall be allocated to the Partners in accordance with Section 5.1 as if such Partner were not a Partner.

(d) If any Partner has an Adjusted Capital Account Deficit at the end of any taxable year, such Partner shall be specially allocated items of income and gain in the amount of such Adjusted Capital Account Deficit as quickly as possible, provided that an allocation pursuant to this Section 5.2(d) shall be made only if and to the extent that such Partner would have an Adjusted Capital Account Deficit after all other allocations provided for in this Section 5.2(d) have been made as if Section 5.2(c) and this Section 5.2(d) were not in this Agreement.

(e) Any allocations required to be made pursuant to Section 5.2(a)-(d) of this Agreement (the “Regulatory Allocations”) (other than allocations, the effects of which are likely to be offset in the future by other Regulatory Allocations) shall be taken into account, to the extent permitted by the Treasury Regulations, in computing subsequent allocations of net profits or net losses pursuant to Section 5.1 so that the net amount of any items so allocated and all other items allocated to each Partner shall, to the extent possible, be equal to the amount that would have been allocated to each Partner pursuant to Section 5.1 had such Regulatory Allocations not occurred.

5.3 Tax Allocations. The allocations of Company items of income, gain, loss, or deduction for tax return and tax capital account purposes shall follow the principles of the allocations under Section 5.1, and recognizing the complexity of allocations for tax purposes, the GP shall have the authority to alter the Capital Account allocations and tax capital account allocations as reasonably necessary and as determined in good faith to effect the intended economic arrangement of the Partners as set forth in Section 2(a) of the Agreement. Notwithstanding the foregoing sentence, U.S. federal income tax items relating to any property that is contributed to the Company in which there is a difference between the basis of such property in the hands of the Company and the fair market value of such property at the time of its contribution shall be allocated among the Partners in accordance with the principles of Section 704(c) of the Code and the Treasury Regulations thereunder in a manner reasonably determined by the GP in good faith to take into account the difference between the fair market value and the tax basis of such contributed property as of the date of its contribution to the Company. If any asset of the Company is revalued in accordance with Treasury Regulations 1.704-1(b)(2)(iv)(f), subsequent allocations of income, gain, loss, deduction and credit with respect to such asset shall take account of any variation between the adjusted tax basis of such asset for federal income tax purposes and its value in a manner consistent with Section 704(c) of the Code and the Treasury Regulations thereunder in a manner reasonably determined by the GP in good faith to take into account the difference between the fair market value and the adjusted tax basis of such asset. Allocations pursuant to this Section 5.3 are solely for purposes of U.S. federal, state and local taxes and shall not affect, or in any way be taken into account in computing, any Partner’s Capital Account or share of net profits or losses and any other items or distributions pursuant to any provision of this Partnership Agreement.

4. Certain Tax Covenants.

a. Upon the request of any Wafra Participation Entity in connection with any Transfer of an interest in the Company for U.S. federal income tax purposes, to the extent a valid election under Section 754 of the Code (and any corresponding provisions of state and local Law) may be made but is not in effect as of the taxable year in which such Transfer occurs with respect to the Company or any Subsidiary that is treated as a partnership for U.S. federal income tax purposes, the Company and each Subsidiary with respect to which such Wafra Participation Entity has requested such election(s) be made shall make and maintain such election(s) for the taxable year of the Company or such Subsidiary that includes the date of such Transfer.

b. The DigitalBridge Parties shall (i) use commercially reasonable efforts to obtain any exemption from, reduction in, or refund of, Taxes collected by way of withholding (or similar) imposed by any Taxing Authority (whether sovereign or local) with respect to amounts allocable to, received by, or distributable by the Company to the Wafra Participation Entity (“Withholding Taxes”), (ii) notify the Wafra Participation Entity of the amount of any Withholding Taxes imposed, (iii) to the extent the exemption from, reduction in, or refund of, Withholding Taxes is required to be applied for by the Wafra Participation Entity, use commercially reasonable efforts to provide assistance upon the Wafra Participation Entity’s reasonable request to enable the Wafra Participation Entity to obtain any available reduction or refund of such Withholding Taxes, and (iv) provide the Wafra Participation Entity with such information and documentation as it may reasonably request to enable it to seek any exemption from, reductions in, or refunds or credits of, Withholding Taxes to which it is entitled; provided, that the Wafra Participation Entity shall reimburse the applicable DigitalBridge Parties for their reasonable out-of-pocket expenses attributable to obtaining any exemption from, reduction in or refund of Withholding Taxes of the Wafra Participation Entity. For the avoidance of doubt, Withholding Taxes shall include Taxes imposed pursuant to Section 1471 or Section 1472 of the Code or any successor provision.

c. The DigitalBridge Parties shall each use commercially reasonable efforts to ensure that each applicable Digital Colony Fund complies with any requirements of Sections 1471 or 1472 of the Code (including those set forth in Section 1471(b) (1) of the Code) (or any successor legislation) and any future Treasury or IRS guidance promulgated thereunder and any comparable provision of non-U.S. law that are necessary to avoid the imposition of withholding Taxes pursuant to Sections 1471(a) or 1472(a) of the Code. To the extent of any withholding Taxes imposed on an applicable Digital Colony Fund as a result of a “recalcitrant account holder” or non-compliant “foreign financial institution”, within the meaning of Section 1471(d) of the Code, such withholding Taxes shall be allocated to such recalcitrant account holders or non-compliant foreign financial institutions to the fullest extent possible.

d. GP shall furnish to the Wafra Participation Entity a U.S. Internal Revenue Service Schedule K-1 to Form 1065 (“IRS Schedule K-1”). The GP shall furnish to the Wafra Participation Entity with respect to each year an estimated IRS Schedule K-1 or equivalent and applicable estimated state and local apportionment information by March 15 after the end of the taxable year, and a final IRS Schedule K-1 and final state and local apportionment information by August 1 after the end of the taxable year. Each DigitalBridge Party shall reasonably cooperate with the Wafra Participation Entity upon reasonable request with respect to Tax matters attributable to such Wafra Participation Entity’s interests in the Company.

e. The Parties agree that the GP shall be designated as the “partnership representative” of the Company (within the meaning of Section 6223 of the Code) for each taxable year with respect to which the Wafra Participation Entity owns an Ownership Interest and that the GP shall be bound by the same duties of good faith and fair dealing in its capacity as the “partnership representative” of the Company as would apply to a general partner of a Delaware limited partnership in which the Wafra Participation Entity were a limited partner. Notwithstanding anything herein or in any Ancillary Agreement to the contrary, if a DigitalBridge Party receives a notice of final partnership adjustment from the U.S. Internal Revenue Service to which the Partnership Audit Rules are applicable, the “partnership representative” of the Company shall cause the Company to (i) (x) consult in good faith with the Wafra Participation Entity, and consider in good faith any requests made by the Wafra Participation Entity, with respect to whether to cause the Company to elect the application of Section 6226 of the Code, with respect to any imputed underpayment arising from such adjustment, and (y) if the “partnership representative” elects the application of Section 6226 of the Code, (i) furnish to each partner of the Company a statement of such partner’s share (based on the year to which such adjustment relates) of any adjustment to income, gain, loss, deduction

or credit (as determined in the notice of final partnership adjustment) or (ii) use reasonable efforts to modify such imputed underpayment under Sections 6225(c)(3) and (4) of the Code, in each case with respect to any more than de minimis imputed underpayment arising from such adjustment, to the extent that such modifications are available (taking into account the tax status of the Wafra Participation Entity and, if applicable, its direct or indirect owners, based on receipt of any needed information) and would reduce any Taxes payable by the Company with respect to the applicable imputed underpayment. Any tax benefits resulting from any such modification and reduction shall, to the extent not prohibited under applicable Law, be allocated to the member to which the tax benefit relates. For the avoidance of doubt, to the extent that a Tax is imposed on, and paid by, the Company under the provisions of the Partnership Audit Rules, and such Tax is determined in good faith by the Company to be attributable to, or made on behalf of or in respect of, an equityholder of the Company (or one or more beneficial owners thereof), the Company shall (A) use best efforts to cause such Tax to be borne by such equityholder (or beneficial owner(s) thereof) and (B) in determining whether a Tax is so attributable, take into account the tax status of such equityholder (or beneficial owner(s) thereof). The provisions of this Section 4(d) shall also apply, mutatis mutandis, to the Subsidiaries of the Company that are treated as partnerships for U.S. federal income tax purposes in respect of the U.S. federal, state and local income tax matters. The GP shall (i) promptly provide the Wafra Participation Entity with notice of any tax audit, investigation or proceeding with respect to the Company, in each case, that would reasonably be expected to an adverse effect on the Wafra Participation Entity (each, a "Tax Proceeding"), (ii) keep the Wafra Participation Entity reasonably informed regarding any such Tax Proceeding, (iii) provide copies of any material pleadings, briefs, petition, submissions and correspondence to the Wafra Participation Entity in connection with such Tax Proceeding, and (iv) shall not settle or otherwise compromise (or fail to settle or otherwise compromise) any such Tax Proceeding if it would have a disproportionate, material and adverse effect on the Wafra Participation Entity (including, for this purpose, where the Wafra Participation Entity is a pass-through entity for tax purposes, any direct or indirect owners of the Wafra Participation Entity that are special purpose vehicles and treated as corporations for U.S. federal income tax purpose) without the Wafra Participation Entity's prior written consent (which shall not be unreasonably withheld, conditioned or delayed).

f. Notwithstanding anything in an applicable Organizational Document to the contrary, in the event of a Transfer of Interests in the Company by the Wafra Participation Entity, allocations between the Wafra Participation Entity and the applicable Transferee of the distributive shares of the various items of the Company's income, gain, loss, deduction and credit as computed for Tax purposes shall be allocated between the Wafra Participation Entity and such Transferee on a closing of the books basis or such other proper basis as the Wafra Participation Entity and such Transferee shall reasonably agree.

g. The GP shall furnish to the Wafra Participation Entity any information necessary for Tax and regulatory filings or elections or otherwise reasonably requested by such Wafra Participation Entity.

h. The DigitalBridge Parties and the Wafra Participation Entity agree to cooperate in good faith with respect to structuring any future Digital Colony Fund, including structuring the incentive compensation with respect to such Digital Colony Fund, to the fullest extent permitted by Law and to the extent that it does not have an adverse impact on the DigitalBridge Parties other than in an immaterial manner, as an incentive allocation rather than a fee.

i. In the event of a Transfer of an Interest in the Company by the Wafra Participation Entity, the GP shall cause the Company to (i) to the extent the GP is legally able to do so, deliver a certificate pursuant to Treasury Regulations section 1.1445-11T, duly executed in accordance with the requirements of such Treasury Regulation and dated as of the date of such Transfer, certifying that either (A) 50% or more of the value of the gross assets of the Company does not consist of "United States real property interests" (within the meaning of Section 897(c) of the Code) or (B) 90% or more of the value of the gross assets of the Company does not consist of "United States real property interests" (within the meaning of Section 897(c) of the Code) plus "cash or cash equivalents" (within the meaning of Treasury Regulations section 1.1445-11T(d)(1)), (ii) to the extent it is legally able to do so, deliver any such information or certificates to the Wafra Participation Entity and/or the applicable Transferee as would permit Tax withholding under Section 1446(f) of the Code (or any successor version thereof) to be reduced or eliminated; and (iii) reasonably cooperate with the Wafra Participation Entity in reducing or eliminating any other applicable Tax withholding in connection with such Transfer; provided, that the Wafra Participation Entity shall reimburse the GP for its reasonable out-of-pocket expenses incurred in connection with the foregoing.

j. Any requirement of the Wafra Participation Entity to provide information about any investor in the Wafra Participation Entity pursuant to this Agreement or any applicable Ancillary Agreement relating to Taxes shall be, unless otherwise required by Law, subject to commercially reasonable confidentiality restrictions imposed by the Wafra Participation Entity and the Wafra Participation Entity shall only be required to use commercially reasonable efforts to provide any such information about any investor in the Wafra Participation Entity.

k. The parties hereto agree to treat the Company and each of the Company's Subsidiaries that are Digital Colony Companies as a partnership or as a disregarded entity for U.S. federal income tax purposes and not to cause any such entities to elect to be, or otherwise be treated as, a corporation for U.S. federal income tax purposes.

l. In the case of any investment by a Digital Colony Fund that the GP determines in its reasonable discretion is at the time of such investment (or, as part of such acquisition transaction, will become) a United States real property holding corporation ("USRPHC") within the meaning of Section 897(c) of the Code, the GP agrees that it shall notify the Wafra Representative of such USRPHC status. Upon the Wafra Representative's request, the GP shall reasonably cooperate with the Wafra Representative in structuring any Wafra Participation Entity's beneficial interest in such investment in a manner reasonably intended to afford such Wafra Participation Entity the benefits of Section 897(l) of the Code.

m. Prior to a Digital Colony Fund making an investment outside of the United States, the general partner (or similar capacity) of that Digital Colony Fund shall obtain advice of tax counsel (or other tax advisors) that such investment should not cause the Wafra Participation Entity to be subject to tax filing or tax payment obligations (including on income derived from such investment), other than filings required to obtain refunds of amounts withheld; provided, that the advice just described need only be obtained in respect of the first investment made in such jurisdiction by such Digital Colony Fund unless, subsequent to the date on which such advice was obtained, a change in law has occurred which could alter the advice. In the event the Wafra Participation Entity becomes subject to income tax reporting requirements in any jurisdiction outside the United States in which the Company is engaged in activities which arise solely due to the Company's or a Digital Colony Fund's activities and for which the GP has actual knowledge, the GP shall reasonably promptly notify the Wafra Participation Entity.

3. Enforcement. The Parties acknowledge and agree that in respect of any surviving provisions of the Terminated Agreements as set forth herein, including in respect of any claims that may be brought by Wafra (S) or Wafra (B) in respect of any such surviving provisions of the Terminated Agreements, Wafra LP shall be entitled to directly enforce such provisions and bring such claims in lieu of Wafra (S) or Wafra (B), as applicable, as if it were Wafra (S) or Wafra (B) for purposes of such Terminated Agreements.

7. Consent to Jurisdiction; Waiver of Jury Trial. Each of the Parties irrevocably submits to the exclusive jurisdiction of the United States District Court for the Southern District of New York located in the borough of Manhattan in the City of New York, or if such court does not have jurisdiction, the Supreme Court of the State of New York, New York County, for the purposes of any suit, action or other proceeding arising out of this Agreement. To the extent that service of process by mail is permitted by applicable law, each Party irrevocably consents to the service of process in any such suit, action or other proceeding in such courts by the mailing of such process by registered or certified mail, postage prepaid, at its address for notices provided for herein. Nothing herein shall affect the right of any person to serve process in any other manner permitted by law. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement in (a) the United States District Court for the Southern District of New York or (b) the Supreme Court of the State of New York, New York County, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has

been brought in an inconvenient forum. THE PARTIES HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM WITH RESPECT THERETO.

All counterparts shall be construed together, be deemed an original, and shall constitute one and the same instrument.

2. Demand Registrations.

(a) Requests for Registration.

(i) Subject to the other provisions of this Agreement, including Section 2(b), at any time and from time to time when such Registrable Securities have not been previously registered on a then effective registration statement, the Designated Investors may request registration under the Securities Act of all or a portion of the Designated Investors' Registrable Securities on Form S-1, Form S-11 or similar long-form registration ("Long-Form Registrations"), or on Form S-3 or any similar short-form registration (including, if the corporation is then eligible, as an automatic shelf registration statement (as defined in Rule 405 under the Securities Act) (an "Automatic Shelf Registration Statement")) pursuant to Rule 415 under the Securities Act or any similar rule then in force ("Short-Form Registrations"), if available (the requesting Designated Investors, the "Requesting Equityholders"). All registrations requested pursuant to this Section 2(a) are referred to herein as "Demand Registrations." Demand Registrations will be Short-Form Registrations whenever the Company is permitted to use any applicable short form. Unless the Registrable Securities have been previously registered on a then effective registration statement, the Company agrees to file with the SEC, following receipt of any such request for a Demand Registration, a registration statement with respect to the Registrable Securities under the Securities Act (the "Demand Registration Statement") in accordance with Section 5. The Company shall use its commercially reasonable efforts to cause such Demand Registration Statement to be declared effective by the SEC as soon as practicable after the filing thereof in accordance with Section 5. The Demand Registration Statement shall be on an appropriate form and the registration statement and any form of prospectus included therein (or prospectus supplement relating thereto) shall reflect the plan of distribution or method of sale proposed by the Requesting Equityholders.

(ii) Each request for a Demand Registration shall specify the number of Registrable Securities requested to be registered and the intended method of distribution. Within five (5) Business Days after receipt of any such request, the Company shall give written notice of the Demand Registration to all other holders of Registrable Securities and Other Equityholders and, subject to the terms of Section 2(c), shall include in such Demand Registration (and in all related registrations and qualifications under state blue sky laws and in any related underwriting) all securities with respect to which the Company has received written requests for inclusion therein within ten (10) Business Days after delivery of the Company's notice; provided, that with the prior written consent of the Requesting Equityholders, the Company may provide notice of the Demand Registration to all other holders of Registrable Securities and Other Equityholders within three (3) Business Days following the non-confidential filing of the registration statement with respect to the Demand Registration so long as such registration statement is not an Automatic Shelf Registration Statement. Each holder of securities agrees that such holder shall treat as confidential the receipt of the notice of Demand Registration and, except as required by law, pursuant to court order, pursuant to a governmental authority having jurisdiction over such holder or in connection with exercise of remedies hereunder, shall not disclose or use the information contained in such notice of Demand Registration without the prior written consent of the Company until such time as the information contained therein is or becomes available to the public generally, other than as a result of disclosure by the holder in breach of the terms of this Agreement.

(b) Demand Registrations. Subject to the other provisions of this Agreement, for so long as the Designated Investors hold Registrable Securities of the Company, the Designated Investors will be entitled to request no more than an aggregate of six (6) Demand Registrations; *provided*, that the aggregate offering value of the Registrable Securities requested to be registered in any Demand Registration must equal at least \$50,000,000, net of Registration Expenses (or a lesser amount if the Registrable Securities requested by the Requesting Equityholders to be included in such Demand Registration constitute all of the Registrable Securities held by the Equityholders); *provided, however*, that no request for a Demand Registration shall count against the foregoing limitation in this paragraph if (x) the Demand Registration relating thereto has not become effective or has not been kept continuously effective for a period of at least one hundred eighty (180) days (or such shorter period which shall terminate when all of the Registrable Securities covered by such registration statement have been sold pursuant thereto), or if such registration statement relates to an underwritten Public Offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sale of Registrable Securities by an underwriter or dealer); (y) any stop order, injunction or other order or requirement of the SEC or other governmental agency or court prevents the sale of any Registrable Securities covered by such Demand Registration other than by reason of any intentional act by a holder of Registrable Securities; or (z) the Requesting Equityholders are unable to include in such Demand Registration at least eighty percent (80%) of the Registrable Securities initially proposed to be included by the Requesting Equityholders in such Demand Registration due to the limitations set forth in Section 2(c).

(c) Priority on Demand Registrations. If a Demand Registration contemplates an underwritten offering and the managing underwriters advise the Company in writing that, in their opinion, the number of Registrable Securities and other securities requested to be included in such offering, exceeds the number of Registrable Securities and other securities, if any, which can be sold therein without materially and adversely affecting the success of the offering (including the price, timing or distribution of the Registrable Securities to be sold in such offering), then the Company will include in such registration, (i) first, the securities requested to be included in such registration *pro rata* among the Designated Investors and all Other Equityholders requesting that securities be included in such offering (pursuant to Section 2(a) or otherwise) based on the number of securities requested to be included in such offering by such holders at such time, and (ii) second, any other securities of the Company requested (pursuant to Section 3(a) or otherwise) to be included in such registration (whether for the account of the Company or any other holder of the Company's securities) *pro rata* on the basis of the number of such other securities requested to be included therein by the Company and each such other holder (or in such other manner as the Company and such other holders agree). For the avoidance of doubt, this Section 2(c) shall not apply to a Shelf Underwritten Offering.

(d) Restrictions on Demand Registrations. The Company will not be obligated to effect any Demand Registration within one hundred eighty (180) days after the effective date of a previous Long-Form Registration or within ninety (90) days after the effective date of a previous Short-Form Registration or any Piggyback Registration. If the Company, by decision of its board of directors or similar governing body, shall believe in its reasonable and good faith judgment, the filing, effectiveness or use of any Demand Registration or other registration statement or prospectus supplement for purposes of effecting an offering pursuant to Rule 415 under the Securities Act would (i) require the Company to disclose any material non-public information that the Company would not otherwise be required to disclose at such time, (ii) have a material adverse effect on any pending negotiation or plan of the Company to effect a merger, acquisition, disposition, financing, reorganization, recapitalization or other similar transaction or (iii) be materially harmful to the prospects of the Company, the Company, upon written notice

provided to the Requesting Equityholders, may suspend the filing, effectiveness or use of any such Demand Registration, registration statement or prospectus supplement for a period of up to ninety (90) days; *provided*, that the Company may not postpone the filing, effectiveness or use of a registration statement for a Demand Registration more than two (2) times during any twelve (12) month period and no such postponement shall last for a period exceeding one hundred twenty (120) days in the aggregate during any twelve (12) month period. In the event of any such suspension or delay, the Requesting Equityholders shall be entitled to withdraw such request and, if such request is withdrawn, such Demand Registration shall not count as one of the permitted Demand Registrations hereunder. Each Equityholder who is notified by the Company of any suspension under this Section 2(d) shall keep the existence of such suspension confidential and shall immediately discontinue (and direct any other Person making offers or sales of Registrable Securities on behalf of such Equityholder to immediately discontinue) offers and sales of Registrable Securities pursuant to the applicable registration statement or prospectus until such time as it is advised in writing by the Company that the use of such registration statement or prospectus may be resumed.

(e) Shelf Take-Downs. At any time that a shelf registration statement covering Registrable Securities is effective, if the Designated Investors deliver a notice (a "Shelf Underwriting Request") to the Company stating that it intends to effect an underwritten offering of all or part of such Designated Investors' Registrable Securities included by it on a shelf registration statement (a "Shelf Underwritten Offering") and stating the number of Registrable Securities to be included in such Shelf Underwritten Offering, then, the Company shall amend or supplement the shelf registration statement as may be necessary in order to enable such Registrable Securities to be distributed pursuant to the Shelf Underwritten Offering; *provided further*, that the aggregate offering value of the Registrable Securities requested to be registered in any Shelf Underwritten Offering must equal at least \$50,000,000, net of Registration Expenses (or a lesser amount if the Registrable Securities requested by the Requesting Equityholders to be included in such Shelf Underwritten Offering constitute all of the Registrable Securities held by the Equityholders). For the avoidance of doubt, a Shelf Underwritten Offering constitutes a Demand Registration such that the provisions of this Agreement, including this Section 2 and the ability of the Company to suspend any Demand Registration pursuant to Section 2(d), with respect to a Demand Registration shall apply to a Shelf Underwritten Offering; provided that a Shelf Underwritten Offering shall not count against the limitation of the number of Demand Registrations in Section 2(b) and the restriction set forth in the first sentence of Section 2(d) shall not apply. The Company shall, as expeditiously as possible (and in any event within ten (10) days after the receipt of a Shelf Underwriting Request), but subject to Section 2(d), amend or supplement the shelf registration statement for such Shelf Underwritten Offering. Notwithstanding the foregoing, if the Requesting Equityholders wish to engage in an underwritten block trade or similar transaction or other transaction with a 2-day or less marketing period (collectively, "Underwritten Block Trade") off of a shelf registration statement (either through filing an Automatic Shelf Registration Statement or through a take-down from an already existing shelf registration statement), then notwithstanding the foregoing time periods, the Requesting Equityholders only need to notify the Company of the Underwritten Block Trade on the Business Day immediately preceding the day on which such offering is to commence, and the Company shall as expeditiously as possible, but subject to Section 2(d), facilitate such Shelf Underwritten Offering (which may close as early as three (3) Business Days after the date it commences); *provided, however*, that the Requesting Equityholders requesting such Underwritten Block Trade shall use commercially reasonable efforts to work with the Company and the underwriters prior to making such request in order to facilitate preparation of the registration statement, prospectus and other offering documentation related to the Underwritten Block Trade.

(f) Selection of Underwriters and Plan of Distribution. In the case of a Demand Registration for an underwritten offering or a Shelf Underwritten Offering, the Requesting Equityholders holding a majority of the Registrable Securities to be included in such Demand Registration or Shelf Underwritten Offering will have the right to select the investment banker(s) and manager(s) (who shall be a nationally recognized investment bank) to administer the offering and will have the right to determine the plan of distribution, in each case after consultation with the Company and subject to the Company's approval, which will not be unreasonably withheld, conditioned or delayed.

3. Piggyback Registrations.

(a) Right to Piggyback. Whenever the Company proposes to register any Capital Stock of the Company under the Securities Act (for its own account or the account of any other securityholder) (other than (i) pursuant to a Demand Registration (which shall be governed by Section 2, including the priority provisions of Section 2(c)), (ii) in connection with registrations on Form S-4, Form F-4 or Form S-8 (or any successor form adopted by the SEC or any comparable form adopted by any foreign securities regulators) or (iii) a registration, the sole purpose of which is to register non-convertible debt securities) and the registration form to be used may be used for the registration of Registrable Securities (a "Piggyback Registration"), the Company will give prompt written notice to all holders of Registrable Securities and Other Equityholders of its intention to effect such a registration and will, subject to the provisions of this Agreement, include in such registration (and in all related registrations or qualifications under state blue sky laws or in compliance with other registration requirements and in any related underwriting) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten (10) Business Days after the receipt of the Company's notice.

(b) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of the Company, the Company will include in such registration all Registrable Securities requested to be included in such registration; *provided*, that if the managing underwriters advise the Company in writing that, in their good faith opinion, the number of securities requested to be included in such registration exceeds the number of Registrable Securities that can reasonably be expected to be sold in such offering without materially and adversely affecting the success of the offering (including the price, timing or distribution of the Registrable Securities to be sold in such offering), the Company will include in such registration (i) first, the securities the Company proposes to sell, (ii) second, the securities requested to be included in such registration *pro rata* among the Equityholders and all Other Equityholders of such securities based on the number of such securities owned by each such holder at such time, and (iii) third, any other securities of the Company requested to be included in such registration as may be determined by the Company in its discretion.

(c) **Priority on Secondary Registrations.** If a Piggyback Registration is done in compliance with an underwritten secondary registration on behalf of holders of the Company's securities (it being understood that Demand Registrations by or on behalf of holders of Registrable Securities are addressed in Section 2 rather than this Section 3(c)), the Company will include in such registration all securities requested to be included in such registration; *provided*, that if the managing underwriters advise the Company in writing that, in their good faith opinion, the number of securities requested to be included in such registration exceeds the number of Registrable Securities that can reasonably be expected to be sold in such offering without materially and adversely affecting the success of the offering (including the price, timing or distribution of the Registrable Securities to be sold in such offering) (i) first, the securities requested to be included therein by the holders initially requesting such registration and the number of Registrable Securities requested to be included in such registration by the holders of Registrable Securities, *pro rata* among the respective holders thereof (including holders of such Registrable Securities) based on the number of such securities owned by such holder at such time, and (ii) second, other securities, if any, requested to be included in such registration as may be determined by the Company in its discretion.

(d) **Selection of Underwriters.** In the case of a Piggyback Registration that is an underwritten offering, the Company will have the right to select the investment banker(s) and manager(s) to administer the offering.

The Company may impose stop-transfer instructions with respect to the Capital Stock (or other securities) subject to the foregoing restriction until the end of such period. Nothing herein shall prevent the Equityholders from transferring Registrable Securities to a Permitted Transferee so long as such Permitted Transferee will be subject to the rights and obligations of the transferor with respect to such Registrable Securities hereunder (including, as applicable, the Holdback Period).

5. **Registration Procedures.** Whenever Registrable Securities are to be registered pursuant to this Agreement, the Company will effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof. (m) provide a legal opinion of the Company’s outside counsel addressed to the Company, dated the effective date of such registration statement (and, if such registration includes an underwritten public offering, dated the date of the closing under the underwriting agreement), with respect to the registration statement, each amendment and supplement thereto, the prospectus included therein (including the preliminary prospectus) and such other documents relating thereto in customary form, and reasonably acceptable to the managing underwriters, and covering such matters of the type customarily covered by legal opinions of such nature;

(p) make up to three (3) appropriate personnel of the Company reasonably available to assist the underwriters with respect to, and accompany the underwriters on the so-called “road show”, in connection with the marketing efforts for, and the distribution and sale of Registrable Securities pursuant to any Demand Registration at times that may be mutually and reasonably agreed upon; *provided*, that the personnel of the Company shall not be required to participate in “road shows” (including presentations and any other marketing or selling events) in excess of five (5) Business Days per Demand Registration;

(q) at any time the Company is a well-known seasoned issuer (as defined in Rule 405 under the Securities Act) (a “WKSI”), use its commercially reasonable efforts to remain a WKSI (and not become an ineligible issuer (as defined in Rule 405 under the Securities Act)) so long as the Equityholders hold Registrable Securities;

(s) if at any time when the Company is required to re-evaluate its WKSI status the Company determines that it is not a WKSI and an Automatic Shelf Registration Statement covering Registrable Securities is then outstanding, file a shelf registration statement on Form S-3 and keep such registration statement effective during the period as required in the proviso to Section 5(b); and

(t) take such other actions and deliver such other documents and instruments as may be reasonably necessary to facilitate the registration and disposition of Registrable Securities as contemplated hereby.

6. **Registration Expenses.** Unless otherwise provided herein, the Company shall pay all Registration Expenses. Each Person that sells securities pursuant to a Demand Registration or Piggyback Registration hereunder shall bear and pay all underwriting discounts and commissions and transfer taxes applicable to the securities sold for such Person's account.

7. **Indemnification.**

(a) In the event of a registration of any Registrable Securities under the Securities Act pursuant to this Agreement, the Company agrees to indemnify, to the extent permitted by law, each holder of Registrable Securities, such holder's partners, members, managers, officers, directors and each Person who controls such holder (within the meaning of the Securities Act) (the "Indemnified Parties") against all losses, claims, actions, damages, liabilities and expenses arising out of, caused by or based upon (i) any untrue or alleged untrue statement of material fact contained or incorporated by reference in any registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto, including any Free Writing Prospectuses (or similar prospectus available under comparable foreign securities laws) used by the Company, any underwriter or the selling holders of Registrable Securities solely to the extent the Company has consented to such use in writing, or in the information conveyed by the Company or its representatives to a purchaser at the time of sale to such purchaser, or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made or (ii) any violation or alleged violation by the Company of the Securities Act or any other similar foreign, federal or state securities laws or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance. The Company shall reimburse such Indemnified Party for any legal or other expenses reasonably incurred by them in connection with the investigation or defense of such loss, claim, damage, liability or expense. Notwithstanding the foregoing, the Company shall not be liable under this Section 7(a) for any such loss, claim, damage, liability and expense to the extent it arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished by such Indemnified Party in writing to the Company expressly for use therein.

(b) In connection with any registration statement in which a holder of Registrable Securities is participating, each such holder will furnish to the Company in writing such information as the Company reasonably requests in writing for use in connection with any such registration statement or prospectus and each holder of Registrable Securities, to the extent permitted by law, will, severally and not jointly, (i) indemnify the Company, its officers, directors, employees, agents and representatives and each Person who controls the Company (within the meaning of the Securities Act) against any losses, claims, actions, damages, liabilities and expenses arising out of, caused by or based upon any untrue or alleged untrue statement of material fact contained or incorporated by reference in any registration statement, prospectus, preliminary prospectus, any amendment thereof, supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances under which they were made, and (ii) reimburse the Company, its officers, directors, employees, agents and representatives and each Person who controls the Company (within the meaning of the Securities Act) for any legal or other expenses reasonably incurred by such Persons in connection with the investigation or defense of such loss, claim, damage, liability or expense, but in the case of the foregoing clauses (i) and (ii), only to the extent the untrue statement or alleged untrue statement or omission or alleged omission was made in such registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto, in reliance upon and in conformity with written information furnished by such holder to the Company expressly for use therein. No holder of Registrable Securities shall be liable in respect of indemnity amounts for more than the net proceeds actually received by such holder in connection with such Registrable Securities and that the obligation to indemnify will be several, not joint and several, among such holders.

(c) Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification; *provided*, that failure to give such notice shall not affect the right of such Person to indemnification hereunder unless such failure is materially prejudicial to the indemnifying party's ability to defend such claim, and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party unless either (A) in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties exists with respect to such claim or (B) there are one or more legal defenses available to such indemnified party which are substantially different from or additional to those available to the indemnifying party. If such a defense is assumed, the indemnifying party will not be subject to any liability for any settlement made by the indemnified party without its prior written consent, which will not be unreasonably withheld. An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim will not be obligated to pay the fees and expenses of more than one counsel (plus any local counsel necessary for defending such claim as reasonably determined by an indemnified party), if any, for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim.

(d) No indemnifying party shall, except with the prior written consent of each indemnified party, consent to entry of any judgment or enter into any settlement which (x) does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation or (y) involves the imposition of equitable remedies or the imposition of any non-financial obligations on the indemnified party.

(e) To the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with an underwritten public offering conflict with the foregoing provisions, the provisions in this Agreement shall control.

(f) The indemnification provided for under this Agreement will remain in full force and effect regardless of any investigation made by or on behalf of the Indemnified Party or any officer, director or controlling Person of such Indemnified Party and will survive the transfer of securities.

8. **Participation in Underwritten Registrations.** No Person may participate in any registration hereunder which is underwritten unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements approved by the Person(s) entitled hereunder to approve such arrangements (including pursuant to any over-allotment or "green shoe" option requested by the underwriters; *provided*, that no holder of Registrable Securities shall be required to sell more than the number of Registrable Securities such holder has requested to include) and (ii) completes and/or executes all questionnaires, powers of attorney, custody agreements, indemnities, underwriting agreements and other documents in each case that are customary for such registrations and are reasonably required under the terms of such underwriting arrangements. Each holder of Registrable Securities agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the lead managing underwriter(s) that are consistent with such holder's obligations under Section 5 or that are necessary to give further effect thereto.

9. **Rule 144.** The Company covenants that (i) so long as it remains subject to the reporting provisions of the Exchange Act, it will use good faith efforts to timely file the reports required to be filed by it under the Securities Act or the Exchange Act (including, but not limited to, the reports under Sections 13 and 15(d) of the Exchange Act referred to in subparagraph (c)(1)(i) of Rule 144) or any similar rules or regulations hereafter adopted by the SEC, and (ii) it will take such further action as any Equityholder may reasonably request; in each case of clauses (i) and (ii), to the extent required from time to time to enable such Equityholder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 or any similar rule or regulation hereafter adopted by the SEC. Upon the request of any Equityholder, the Company will promptly deliver to such Equityholder a written statement as to whether it has complied with such requirements.

10. **Miscellaneous.**

(a) **Costs and Expenses.** Except with respect to Registration Expenses (which shall be subject to Section 6 hereof), each of the parties hereto agrees to pay the expenses incurred by it in connection with the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby, including the fees and expenses of counsel to such party.

(b) **Governing Law; Severability.** This Agreement, together with any claim or defense arising out of or based upon this Agreement or relating to the subject matter hereof, and the rights of the parties hereunder shall in all respects be governed by, interpreted, and construed in accordance with, and all rights and remedies hereunder shall be governed by, the laws of the State of New York (without regard to any conflict of law provisions that would result in the application of the laws of another jurisdiction). If it is determined by a court of competent jurisdiction that any provision of this Agreement is invalid, illegal or unenforceable under applicable law, such provision shall be invalid, illegal or unenforceable only in such jurisdiction and only to the extent of such prohibition or invalidity, without invalidating the remainder of this Agreement.

(c) **Amendment and Waiver.** Except as otherwise expressly provided herein, this Agreement may be amended, modified, or waived only upon the approval of the Company and the Equityholders. The waiver by any party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. No course of dealing between or among the parties hereto shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any such party or such holder under or by reason of this Agreement. The observance of any provision of this Agreement may be waived in writing by the party that will lose the benefit of such provision as a result of such waiver.

(d) **Notices.** All notices, demands and other communications to be given and delivered under or by reason of provisions under this Agreement shall be in writing and shall be deemed to have been duly given or made (a) as of the date when personally delivered, (b) on the date delivered, if delivered by facsimile or email (provided, that notice is also sent by one the methods described in clauses (a), (c) or (d)), (c) five (5) Business Days after being mailed by registered or certified mail (postage prepaid, return receipt requested) or (d) one (1) Business Day after being sent by overnight courier (providing proof of delivery), in each case to the addresses or email addresses set forth below (or at such other address for a party as shall be specified in a notice given in accordance with this Section 10(d)):

(l) MFN Notice. The Company shall notify the Equityholders if it grants any registration rights to any other holder that has the effect of establishing registration rights or otherwise benefits such holder (other than as set forth herein) in a manner more favorable in any material respect than the rights and benefits established in favor of the Equityholders pursuant hereto.

11. **Opt-Out Requests.** The Equityholders shall have the right, at any time and from time to time (including after receiving information regarding any potential public offering), to elect to not receive any notice that the Company otherwise is required to deliver pursuant to this Agreement by delivering to the Company a written statement signed by the Equityholders that they do not want to receive any notices hereunder (an “Opt-Out Request”); in which case, and notwithstanding anything to the contrary in this Agreement, the Company shall not be required to, and shall not, deliver any notice or other information required to be provided to the Equityholders hereunder to the extent that the Company reasonably expects such notice or information would result in the Equityholders acquiring material non-public information within the meaning of Regulation FD promulgated under the Exchange Act. An Opt-Out Request may state a date on which it expires or, if no such date is specified, shall remain in effect indefinitely. The Equityholders may revoke such request at any time, and there shall be no limit on the ability of the Equityholders to issue and revoke subsequent Opt-Out Requests; *provided*, that the Equityholders shall use commercially reasonable efforts to minimize the administrative burden on the Company arising in connection with any such Opt-Out Requests.
